

ARTICLE 1 AGREEMENT

This Agreement, effective August 8, 2019 is entered into between The Regents of the University of California, a corporation (hereinafter referred to as the "University", or "management", or "employer"), represented by the Office of the President of the University of California system, and the University Professional and Technical Employees - Communications Workers of America Local 9119 union, (hereinafter referred to as "UPTE" or the "union", pursuant to the provisions of the Higher Education Employer-Employee Relations Act (HEERA).

A. PURPOSE

It is the intent and purpose of the parties that this Agreement constitutes an implementation of the provisions of HEERA, and provides for orderly and constructive employment relations in the public interest, in the interests of the employees represented by UPTE, and in the interests of the University. The parties hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as a result of the unlimited right and opportunity of the parties to make any and all demands with respect to the employer-employee relationship that exists between them relative to the scope of bargaining.

B. EXCLUSIVE REPRESENTATIVE

The University recognizes UPTE-CWA 9119, which was certified by the Public Employment Relations Board (PERB) on September 15, 1997 in SF-PC-1053-H as the sole and exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees, excluding employees defined by HEERA as managerial, supervisory and/or confidential and all student employees whose employment is contingent upon their status as students, in the Health Care Professionals (HX) bargaining unit.

C. EMPLOYEE DEFINED

The term "employee" as used in this Agreement shall refer to employees of the University of California in the HX unit, except for those excluded pursuant to Section B., above. The classes and title codes included in the HX unit are listed in Appendix A.

D. CREATION OF NEW CLASSIFICATIONS

1. UPTE recognizes that the University has the exclusive right to establish new title codes and titles for any individual, position, or title included in or

excluded from the bargaining unit, as defined in Section B. of this Article. The University shall advise UPTE of any such new title/title code.

2. When the University creates a new classification and title within the bargaining unit, the University shall provide a notice to UPTE of the classification's bargaining unit assignment at least sixty (60) calendar days before the proposed date of implementation. The notice to the union shall include a statement of reason(s) for the creation of the new classification. UPTE shall have thirty (30) calendar days after mailing of such notice to contest the University's assignment of the newly created classification/title to the HX bargaining unit. Employees shall not be placed in the new classification/title until the thirty (30) day notice period is complete. If UPTE does not contest the bargaining unit assignment of the newly created position within the thirty (30) calendar day notice period, the unit assignment of the new classification shall be deemed agreeable to the parties and employees shall be assigned to the newly created classification.
 - a. If the new classification is in the bargaining unit in accordance with the provisions of Section D.1., above, the University and UPTE shall meet and confer regarding the salary range and ancillary pay practices for that new classification in accordance with its protocols.
 - b. If UPTE contests the bargaining unit assignment of the newly created classification/title within thirty (30) calendar days of receiving notice from the University, the University and UPTE shall meet in an effort to reach agreement on the bargaining unit assignment for the classification. If the parties are unable to reach agreement regarding the bargaining unit assignment of the title/classification, the dispute shall be submitted to PERB for resolution.
 - c. No employee shall be assigned to the newly established classification or title until the bargaining unit assignment is either agreed to or resolved by PERB, although the duties associated with the position may be assigned to the affected employees.
3. When the University creates a new classification and title outside the bargaining unit, the University shall mail a notice to UPTE of the classification's bargaining unit assignment, if any.
4. UPTE shall notify the University within thirty (30) calendar days of the mailing of the notice if UPTE intends to challenge the University's bargaining unit assignment of the new title and classification. The parties will meet to discuss UPTE's concerns. Following the discussions, any unresolved disputes may be submitted to PERB for resolution.

E. RECLASSIFICATION FROM UNIT TO NON-UNIT POSITIONS

In the event the University determines that a position should be reclassified or designated for exclusion from the unit, or the University intends to replace the major portion of a bargaining unit position with a position in a classification outside of the unit, the University shall notify UPTE in writing at least thirty (30) calendar days prior to the proposed implementation. If UPTE believes that the action violates this Agreement, UPTE shall, within thirty (30) calendar days of the mailing of the University's notice, notify the University in writing that it wishes to challenge the action. The parties will meet to discuss UPTE's concerns. Any unresolved disputes that remain following these discussions may be submitted to PERB for resolution. The discussions shall not delay the exclusion.

F. ABOLITION OF CLASSES

The University shall inform UPTE when classifications are abolished. The University will provide UPTE with sixty (60) calendar days notice of its intent to abolish a classification. The notice to the union shall include a statement of the reason(s) for the abolition. In the event employees will be affected by the abolition of a classification, the University and UPTE shall, following the request of UPTE, meet at least thirty (30) calendar days before the intended date of implementation, unless the parties agree otherwise. The University shall not abolish the classification unless the parties have reached an agreement. If the parties are unable to reach an agreement, the dispute shall be submitted to PERB for resolution.

ARTICLE 2 ACCESS

A. GENERAL PROVISIONS

The parties acknowledge that it is in the union's interest that it be granted access to University facilities for union business for the purpose of ascertaining whether the terms of this Agreement are being met; engaging in the investigation, preparation, and adjustment of grievances; conducting union meetings; explaining to bargaining unit members their rights and responsibilities under the Agreement; and informing Healthcare Professionals Unit employees of union activities, including collective bargaining.

B. PATIENT CARE AREAS

Union representatives shall have access to patient care areas only as necessary for travel to and from union business. UPTe representatives shall not contact employees in, or use patient care areas when conducting union business. When the designated campus/hospital/laboratory official and the union representative mutually agree that a visit to a patient care area is necessary to adjust grievances, and contract related issues, access to patient care areas will be granted. "Patient care area" includes:

1. Chart rooms and rooms that function as or are in the nature of chart rooms;
2. Nursing stations;
3. Patient and/or visitor lounges including patient conference rooms, sitting rooms, and solaria;
4. Libraries or study areas located within patient care areas;
5. Patient floor and operating room area corridors; and
6. Patient rooms, operating rooms, laboratories, clinics, and other treatment and patient care areas.

C. ACCESS BY THE UNION/UNION REPRESENTATIVES — GENERAL PROVISIONS

1. Designated union UPTE representatives who are not University employees, or who are not employed at the facility visited, may visit the facility at reasonable times and upon notice to the designated campus/hospital/laboratory representative to discuss with the University or bargaining unit members' matters pertaining to this Agreement. In the case of visits for the purpose of conducting unscheduled meetings with bargaining unit members, the union representative shall give advance notice upon arrival in accordance with local campus/hospital/laboratory procedures.
2. UPTE will furnish the University with a written list of all UPTE representatives, employee representatives and UPTE officers who are authorized by the union to conduct union business.

This list shall be maintained in a timely manner by UPTE and any changes, additions or deletions to the list must be made in writing to the University.

3. Union business or activities such as membership recruitment, campaigning for union office, hand-billing or other distribution of literature, drafting of information to employees about union business/activities, and all other union activities shall take place during non-work time. Employee rest and meal periods are non-work time for the purposes of this Article.

D. EMPLOYEE REPRESENTATIVES

1. The University shall recognize UPTE designated employee representatives who have been identified in accordance with the terms of this Agreement. The function of the UPTE designated employee representative is to inform employees of their rights under this Agreement, to ascertain that the terms and conditions of this Agreement are being observed, and to investigate and assist in the processing of grievances.
2. For the purposes of receiving paid release time as provided in this section, each campus/hospital/laboratory may have one UPTE-designated employee as UPTE designated employee representative (for example, one representative from the San Diego campus & hospitals). If a campus/hospital/laboratory has more than one hundred (100) bargaining unit members, UPTE may additionally designate one (1) UPTE-designated employee representative for each one hundred (100) bargaining unit members thereafter, up to a maximum of six (6) UPTE-designated employee representatives per campus/hospital/laboratory. UPTE shall not

designate more than one (1) UPTE designated employee representative per department.

- a. The total cumulative use of paid release time for any UPTE designated employee representative shall be limited to ten (10) hours in any one (1) calendar month, with the exception of one (1) UPTE designated representative who would receive twelve (12) hours per calendar month per location. University convened meetings pursuant to Article 8 - Grievance Procedure, shall not be deducted from this block of time.
- b. The use of the maximum time provided shall be for grievance-related activity such as:
 - 1) The initial hand-delivered filing of a grievance and the retrieval of University documents provided pursuant to a written request for information related to a grievance;
 - 2) One on one meetings with a grievant concerning a filed grievance, or an alleged violation of this Agreement which is at the Informal Review stage of Article 8, Grievance;
 - 3) Meetings with the University representative to whom written grievances are presented, or to whom documents related to filed grievance are presented/signed, or with whom time limit agreements are achieved;
 - 4) Informal Review meetings held pursuant to Section E. of Article 8, Grievance;
- c. A request for release time will be made to the UPTE designated employee representative's supervisor prior to the activity. Such approval shall be granted solely based on operational needs and shall not be denied unreasonably.
- d. At its sole discretion, the University may authorize use of release time for more than the time limits provided in this Article. The exercise of this discretion and/or the enforcement by the University of the maximum time shall under no circumstances establish a precedent for the UPTE designated employee representative or department involved. Furthermore, the allowance of greater than the maximum time in a month for an UPTE designated employee representative shall not have any effect or bearing on the University's ability to enforce the maximum on any other UPTE designated employee representative.

- e. Should a question of possible abuse of these release time provisions arise, the University will so notify UPTE, and the parties will attempt to resolve the matter. If a question remains, the University may take corrective action when warranted.

E. MEETING ROOMS AND BULLETIN BOARDS

1. UPTE shall be granted use of designated general purpose meeting rooms. Such use shall be arranged in advance with the designated campus/hospital/laboratory office and will not be unreasonably denied. Room reservations shall not be cancelled by the University except where unforeseen circumstances require the room to be used for purposes such as teaching, or patient care-related purposes, or staff conferences. If a reserved room is canceled, the University will attempt to provide a comparable alternative.
2. UPTE shall have access to general purpose bulletin boards and shall have the use of those bulletin boards. Any materials posted must be dated and initialed by the union representative responsible for the posting and a copy of all materials posted must be provided to the appropriate University representative at the location at the time of posting. At those locations where the University is responsible for posting material on bulletin boards, the University will post copies of the UPTE-provided material within one (1) business day.

F. MAIL DELIVERY

United States mail, which is received by the University bearing an employee name and accurate address, will be placed in the employee mailboxes in the normal manner. In departments where employee mailboxes exist, the union shall have reasonable use of them. In departments where individual mailboxes are in a restricted work area, UPTE may make arrangements with the responsible University official in the restricted work area to have the UPTE mail placed in the employee mailboxes. Where mailboxes do not exist for employees, the University will distribute UPTE mail to employees by the normal method.

G. TELEPHONE USE

Employee representatives may use University telephones to conduct union business which is specifically authorized by Article 8, Grievance Procedure. Employees are responsible for paying any costs associated with such telephone usage in accordance with the departmental procedures in effect at the time. The frequency and duration of permitted telephone calls shall not be such as to interfere with or disrupt the employees' completion of work assignments, nor impair the efficiency of University operations. UC may audit employee's use of telephone system.

H. E-MAIL USE

Any use of e-mail by employee representatives shall conform to and be in accordance with applicable University policy regarding mail/electronic communications.

I. EMPLOYEE LISTS

1. On a monthly basis, the University shall provide UPTE with an electronic list via File Transfer Protocol (FTP) of all employees in the bargaining unit. This list will include the following: name, title, title code, date of hire, annualized pay rate, percentage appointment, appointment type, campus mailing address, and hiring unit. In addition, the list will include the home address and telephone number of bargaining unit members, unless the employee has specifically requested that the home information not be released. The list will also include personal cell and personal e-mail if known, unless the employee has requested such information not be released. The University will provide UPTE a weekly list of changes (e.g. new hire, corrections, transfers, salary changes) via FTP that have occurred within the bargaining unit.
2. The Union will inform bargaining unit employees of their right to designate their home address and telephone number, as well as their personal e-mail and personal cellular numbers as confidential.
3. Upon written request by UPTE, the University will provide the undisclosed home addresses to a mutually agreed-upon mailing service firm through which UPTE can correspond with said individuals. The mailing service shall keep confidential the home address of the employees who have requested that the home information not be released. UPTE will bear all costs associated with this service.
4. Employee work and home addresses and telephone numbers, personal e-mail, as well as personal cellular phone numbers shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the confidentiality of all information provided to it under this Article.
5. The Union agrees to defend, indemnify and hold harmless the University of California (including its subdivisions and employees) from any claim, suit or liability of any nature arising from (a) a challenge to this Section I; or (b) any action of the Union taken pursuant to, or in violation of, this Section F. The Regents will give the Union prompt written notice of any claim, suit or liability which it contends is subject to this provision.

J. DISTRIBUTION OF MATERIALS

1. Posting of this Agreement
 - a). Within ten (10) calendar days following ratification, the University shall provide UPTE with an electronic copy of the draft official version of the contract for UPTE review and concurrence.
 - b). The University will not post the UC version of the agreement to its website until UPTE has had at least ten (10) days to review the draft as referenced above in Section J.1.a.
 - (c) The University and UPTE will use their best efforts to ensure that this agreement is posted within one hundred and twenty (120) calendar days following ratification.
 - 1). Both parties must approve the camera ready copy of the Agreement ready for posting.
 - 2). The University shall make appropriate arrangement for UPTEs access to the work site to facilitate UPTE distribution of the contract to each member.

K. NEW EMPLOYEE ORIENTATION

1. The University shall notify all newly-hired employees, and shall notify UPTE no less than 15 days, in advance of scheduled new employee orientations, in which the University advises one or more newly-hired employees in an UPTE-represented bargaining unit (hereinafter, "new employees") of information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The University's notice shall include the name, payroll title, and department of all UPTE-represented new employees anticipated to attend. If additional, newly-hired employees are directed to attend the new employee orientation, after the 15-day notice (above), the University will provide an updated list 3 days in advance of the new employee orientation.
2. At the University's new employee orientations, packets of information supplied by UPTE, which may include information about the time and location of the UPTE meeting shall be distributed to all UPTE-represented employees. UPTE shall be solely responsible for providing sufficient numbers of said packets of information to the University prior to the new employee orientations.

3. At all the orientation meetings as defined in Section K.1. above, the Union shall be afforded thirty (30) minutes, to meet privately with all UPTE-represented new employees who are present, during the new employee orientation meeting, who shall remain on without-loss-of-pay status during the 30-minute meeting, outside of the presence of management personnel. Up to two (2) of the Union's representatives maybe bargaining unit members, and such bargaining unit members shall be on release time as per Article 2(D)(2)(a). Time used for these meetings will be deducted from the 10 hours/month noted in Article 2(D)(2)(a). A copy of the orientation's completed sign-in sheet must be sent to the Union within ten (10) calendar days after the new employee orientation.
4. The University and UPTE agree to meet and discuss on a campus/hospital/LBNL basis, over arrangements to accomplish the goals of this section.
5. In the event a formal in-person University new employee orientation is not held for a new employee, or a new employee does not attend a University new employee orientation, UPTE shall have the right to hold an individual or group orientation session with all new UPTE represented employees, without the presence of University officials, within fifteen (15) days of its request to hold a new employee orientation. The UPTE orientation session shall be during working hours and shall not exceed thirty (30) minutes.

The Union representative at the UPTE orientation session listed above may be bargaining unit members, and such bargaining unit members (up to 2) may be on release time as per article 2(D)(2)(a), if the UPTE orientation is held during the Union representative normal work time. Time used for these meetings will be deducted from the 10 hours/month noted in Article 2(D)(2)(a).

**ARTICLE 3
ARBITRATION PROCEDURE**

A. GENERAL CONDITIONS

1. An appeal to arbitration may be made only by the union and only after the timely exhaustion of Article 8, Grievance Procedure. The appeal to arbitration must be signed by the President of UPTE-CWA Local 9119 or his/her designee, and filed with the Office of Labor Relations, Office of the President. An appeal to arbitration may be made in the following ways:
 - a. **Hand Delivery-** When hand delivered, proof of service must accompany the appeal to arbitration. The date of receipt will be used to determine the date of the appeal for hand-delivered appeals.
 - b. **United States Mail-** When mailed, the appeal must arrive in an envelope with a U.S. Postal Service Postmark. The U.S. Postal Service Postmark will be used to determine the date of the appeal for mailed appeals.
 - c. Email to AppealAGrievance@ucop.edu.
 1. Email submissions must include PDFs of all documents, information and signatures necessary to be in compliance with the Arbitration provisions of this Agreement.
 2. The 'date of filing' for emailed Appeals to Arbitration shall be the date received on the University server, provided that the appeal is received during business hours. If an appeal to Arbitration is received outside of normal business hours, the following business day will be deemed the filing date of the Appeal to Step 3.
 3. The University shall acknowledge receipt of the Union's Appeal to Arbitration through a computer-generated, automatic email response.
2. For the purposes of this Article, time limits are calculated in calendar days, and deadlines which fall on a day which is not a University/campus business day will automatically be extended to the next business day. All time limits may be extended by written agreement of the parties in advance of the expiration of the time limit. The union's failure to meet any time limit, or extension to a time limit will render the Appeal to Arbitration ineligible for further processing and the University's Step 3 answer will be considered final.
3. If the appeal to arbitration is withdrawn or an arbitration hearing otherwise does not take place, the University's Step 3 answer will be considered final.
4. The decision of the arbitrator on any issue properly before her/him shall be final and binding.

5. An appeal to arbitration shall not prohibit efforts by the University and UPTE to resolve the grievance during the time the appeal is pending and until such time that an arbitrator has rendered her/his decision.
6. UPTE shall have full authority to settle, withdraw or otherwise dispose of any grievance brought on behalf of the union and/or on the behalf of employees. An agreement by the parties to settle, withdraw, or otherwise dispose of a grievance appealed to arbitration shall be binding upon the grievant(s).
7. Where two (2) or more grievances are appealed to arbitration, all grievances by or related to the same employee(s), or grievances which relate to the same incident, issue or course of action, may be consolidated by agreement of the parties.
8. TIME LIMITS
 - a. Initial Filing - An appeal to arbitration must be filed within thirty (30) calendar days of the issuance of the University's Step 3 decision to the union. Appeals which do not contain the appropriate union signature will be considered ineligible for appeal to arbitration.
 - b. University Acknowledgement of Receipt - Within fifteen (15) calendar days of the postmark or, in the case of hand delivery the date of receipt, of the union's appeal to arbitration, the University shall mail to the union an acknowledgment of the receipt of the appeal and the identity of the location to which all relevant correspondence should be directed.
 - c. Scheduling of the Hearing Date - Within ninety (90) calendar days from the date the grievance was originally appealed to arbitration; the parties shall select an arbitrator and schedule an arbitration date. Should the parties be unable to agree to a hearing date, the authority to schedule the hearing rests with the arbitrator. The parties may extend the ninety (90) day limit for scheduling the arbitration by mutual written agreement in advance of the expiration of the time limit. In such cases the arbitrator shall be provided with a copy of the written agreement.
 - d. UPTE Request That A Grievance Be Placed in Abeyance - Should UPTE make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed ninety (90) days, except in cases of sexual harassment where it shall be one hundred-eighty days (180). The provisions of Section H.1 shall apply to grievances placed in abeyance by UPTE. Failure by UPTE to reactivate the grievance within the ninety (90) or one hundred-eighty (180) day time limit following agreement by the parties that it be held in abeyance, will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.
9. An appeal of an expedited grievance to arbitration may be made only by UPTE in accordance with this section. Requests for arbitration under the expedited grievance, Section F.2.e., of Article 8, Grievance Procedure must include a copy of the completed grievance form.

B. DEFINITIONS

For the purposes of this Article, the terms:

1. "GRIEVANT" means any employee covered by this contract who has a grievance or complaint (as defined by this Article);
2. "WITNESS", for the purposes of release time, means any employee covered by this contract who is serving as a witness in a grievance proceeding;
3. "EMPLOYEE REPRESENTATIVE" means any employee covered by this contract who is a designated union representative of UPTE, in accordance with the provisions of Article 2, Access; and
4. "UPTE REPRESENTATIVE" means any person who is a non-university employee acting in the interest of or on behalf of UPTE.
5. "THE PARTIES" means the University and
 - a. the grievant; and/or
 - b. the "UPTE representative" or the "employee representative" serving as the grievant's representative.

C. EMPLOYEE REPRESENTATION

Union representation at the arbitration hearing may consist of up to two (2) representatives, with only one (1) of the two (2) representatives being eligible for without-loss-of-straight-time-pay status. Only one (1) of these individuals may be designated as the employee advocate for the course of the hearing.

D. SELECTION OF ARBITRATOR

Within forty-five (45) calendar days of the date of the appeal to arbitration, the arbitrator shall be selected using the following permanent panel procedures:

1. On a case by case basis, the parties may agree to the selection of any qualified and available person to serve as an arbitrator. Absent such agreement, the parties may agree to the selection of an arbitrator from their respective panel.
2. In the event the parties cannot agree to an arbitrator, the parties shall select the names of seven (7) arbitrators from the appropriate panel, as provided in Section L.6., below, by blind lot. The parties shall then alternately strike one (1) name each from the seven names. The first strike will be determined by a flip of a coin, and the last name remaining shall be the arbitrator.
3. If both parties disagree with the arbitrator who has been selected, the process shall be repeated once in its entirety.
4. A separate arbitrator shall be selected for each grievance appealed to arbitration, unless the parties agree otherwise in writing.

5. The parties may agree in writing to extend the forty-five (45) day limit for selecting the arbitrator. Failure to select the arbitrator within forty-five (45) calendar days, or to achieve a written extension of the time period, will render the appeal to arbitration ineligible for further processing and the University's Step 3 answer will be considered final.
6. If UPTE initiates the selection process in writing to the University with a preferred arbitrator from the arbitration panel and there is no written University response by the deadline for selection of the arbitrator (45 days from UPTE's appeal to arbitration), then the UPTE choice shall be final unless UPTE initiates the selection process within fifteen (15) business days of the deadline for selection of the arbitrator. In such case, the University shall have fifteen (15) business days to respond to UPTE's choice of an arbitrator and the period for scheduling the arbitration hearing shall be extended by fifteen (15) business days.
7. All arbitrability disputes, substantive or procedural, shall be subject to arbitration under this Article 3, including disputes arising from University claims that UPTE has lost the right to pursue arbitration of a pending grievance because of untimely processing or that the grievance is ineligible for further processing.
8. The process set forth herein to pursue an arbitrability hearing when the University claims that UPTE has failed to select an arbitrator in a timely manner shall be the exclusive process for such purpose, superseding and/or replacing any other claimed process.
9. When the University refuses to proceed to arbitration on a grievance on the grounds that UPTE has failed to participate in the selection of arbitrators in a timely manner as required by Article 3, Section D.5., of the contract, UPTE will make a demand for arbitration of that issue in writing to the Office of the President within thirty (30) days of the postmark of the campus notification to the union that the case is ineligible for further processing.

E. SCOPE OF ARBITRATION

1. Unless there is an agreement by both parties to modify the scope of the hearing, the issue(s) to be heard by the arbitrator shall solely and in its entirety be restricted to the issue(s) stated by Step 3. Issues or allegations which were known or should have been known to either party but not introduced by the Step 3 process shall not be introduced by either party at the arbitration hearing, except as provided in Section E.2., below.
2. When practicable, the University shall inform UPTE in writing of its intent to assert the issue of arbitrability prior to the selection of the arbitrator in its Acknowledgement of Receipt, according to A.8.b above. The issue(s) of arbitrability shall be resolved in a hearing prior to and separate from the hearing (if any) about the substantive facts and/or allegations in dispute, except as provided in Section E.3., below. In such case, the parties shall use the selection process described in Section D. above to select two arbitrators. The first arbitrator will be selected to hear the issues of arbitrability and the second arbitrator will be selected to decide the merits of the case if the issues are determined to be arbitrable. Unless either party requests a full and complete arbitration proceeding on the arbitrability issue, the first arbitrator shall issue either a bench decision, or upon either party's request, a written decision within seven (7) calendar days of the completion of the arbitrability hearing. In the event

that the first arbitrator, as a result of the hearing referenced above determines a matter to be arbitrable, the first arbitrator shall have no authority to decide the issues pursuant to the merits of the case. A hearing on the merits of the case will be scheduled with the second arbitrator, unless the parties agree otherwise.

3. If, following the University's acknowledgement of UPTE's appeal to arbitration in A.8.b, the University raises for the first time issue(s) of arbitrability a single hearing on the issue of arbitrability and the substantive facts will be held, unless the parties agree otherwise. If the arbitrator finds the grievance to be not arbitrable, the substantive facts of the case need not be heard and the grievance shall be denied. If the arbitrator finds in favor of arbitrability, the hearing shall proceed to the substantive issues raised.
4. Section E.1. and Section E.2. above, shall not prevent the parties from agreeing in writing to combine the arbitrability hearing with the hearing on the merits of the case.
5. If the union requests a postponement of the scheduled arbitration hearing following the University's raising issue(s) of arbitrability, the hearings on arbitrability and facts, if any, shall be separate, and the provisions of Section E.3. above, shall apply.

F. ARBITRATION PROCEEDING

1. The parties will attempt to agree on a location for the arbitration hearing.
2. The arbitration hearing shall be closed to anyone other than the participants in the arbitration hearing, unless the parties otherwise agree in writing. Participants include designated representatives, the grievant(s), and other witnesses, who shall each be sequestered if providing testimony, unless otherwise agreed to by the parties.
3. The arbitration hearing shall provide an opportunity for UPTE and the University to examine and cross-examine witnesses under oath or affirmation, and to submit relevant evidence.
4. Settlement discussions, including but not limited to, settlement offers made any time during the Grievance and/or Arbitration Procedure shall not be introduced as evidence in the arbitration hearing.
5. Either or both parties may, at their discretion, file briefs with the arbitrator. The order and time limits of briefing shall, on a case by case basis, be as agreed upon by the parties or as specified by the arbitrator. Briefing time limits shall be extended by the Arbitrator upon the agreement of both parties.
6. The arbitrator shall consider the evidence presented and render a written decision within thirty (30) calendar days of the close of the record of the hearing.
7. In all cases appealed to arbitration pursuant to the terms of this Article and this Agreement, UPTE has the burden of initiating the steps in the procedure. With the exception of those cases in which the issue is that of actions taken by the University pursuant to Article 6 – Corrective Action, Discipline and Discharge, UPTE shall have the burden of proof. The burden of proof in cases in which the issue is that of actions taken by the University pursuant to Article 6 – Corrective Action, Discipline and Discharge, shall be the University's.

8. Prior to the hearing, the parties may endeavor to exchange the names of known witnesses and relevant materials to be introduced at the hearing.

G. AUTHORITY OF THE ARBITRATOR

1. The arbitrator's authority shall be limited to determining whether the University has violated the provision(s) of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify or ignore in any way the provisions of this Agreement and shall not make any award which would, in effect, grant UPTE or the employee(s) any terms which were not obtained in the negotiation process.
2. The arbitrator shall have the authority to subpoena documents and to require the attendance of witnesses upon the reasonable request of either party, but not upon his/her own motion.
3. The expense of service and appearance fees, if any, shall be borne entirely by the party requesting the subpoena of witnesses and each party shall, in advance of the hearing date, inform the other party of the identity of witnesses it subpoenaed.
4. The arbitrator shall have the obligation of assuring that all necessary facts and considerations are brought before her or him by the representatives of the parties at the hearing. In all respects he/she shall assure that the hearing is a fair one. The arbitrator shall be the sole judge of the relevancy and materiality of the evidence and testimony offered. The arbitrator may receive and consider evidence but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing, or within the post-hearing time lines agreed to by the parties during the hearing.

H. ARBITRATION REMEDIES

1. No remedy by an arbitrator with respect to any grievance which shall be submitted to her/him shall in any case be made retroactive to a date earlier than thirty (30) calendar days prior to the filing of the Step 1 grievance, except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages. For grievances involving the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, an award of an arbitrator shall not in any case be made retroactive to a date earlier than three (3) years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure. Additionally, no remedy shall be provided for any period of time during the grievance and/or arbitration procedure for which an extension of time limits has been granted at the request of UPTE; any period of time between the date a hearing was originally scheduled to be held, and due to a request from UPTE to postpone or change the scheduled hearing, the rescheduled date of the hearing; or any time an employee was on strike.
2. In any decision of a grievance appealed to arbitration involving retroactive payments, the appropriate University and UPTE representatives shall expeditiously determine the identity of the payees and the specific amount owed each payee. Such amount of payment shall be final and no employee or group of employees may subsequently grieve the amounts owed.
3. Remedies involving monetary payment and/or credit shall be limited in their calculation to the utilization of the employee's actual and appropriate wage or

benefit amount at the time of the violation and shall not include the awarding of interest or any other payment/credit unrelated to a University benefit amount or the employee's hourly wage.

4. Upon the motion of either party, or at his or her own discretion, an arbitrator may retain jurisdiction in cases involving an award of retroactive monetary payment and/or credit.
5. If the grievance is sustained in whole, or in part, the remedy shall not exceed restoring to the employee the pay, benefits or rights lost less any compensation from any source, including, but not limited to, Workers' Compensation, Unemployment Compensation or other employment.

I. COST OF ARBITRATION

1. The cost of the arbitrator and expenses of the hearing will be shared equally by the University and UPTE. If either party requests that a stenographic record of the hearing be made and/or transcripts of the stenographic record or a taped record be provided, the parties shall equally share the entire cost of such service and the cost of the provision of a transcript to each party and the arbitrator.
2. In the event either party requests the cancellation or postponement of a scheduled arbitration proceeding which causes an arbitrator to impose a cancellation or postponement fee, the party requesting such cancellation or postponement shall bear the full cost of the cancellation/postponement fee. In the event the parties agree to settle or postpone the arbitration during the period of time in which the arbitrator will charge a cancellation/postponement fee, the parties will equally bear the cost of the fee, unless the parties agree otherwise.

J. PAY STATUS

1. The grievant, as defined in Article 8, Grievance Procedure, Section A.5.a., (one [1] grievant in a group grievance) shall be in a without-loss-of-straight-time-pay status at the arbitration hearing.
2. The University and UPTE shall establish a reasonable schedule for witness(es)' testimony at the arbitration proceeding. Employee witnesses who appear at the arbitration hearing at the request of UPTE shall be in a without-loss-of-straight-time-pay status for the time spent actually giving testimony or waiting to testify in accordance with the established schedule. Every effort shall be made by UPTE to avoid the presentation of repetitive witnesses.
3. Total release time for the grievant, employee representative and witness(es) for travel to/from the hearing and for participation in the hearing shall not exceed either their normally scheduled hours of work for the day(s) of the hearing or their actual participation in the hearing. Participants shall travel to/from the hearing via the most expeditious method of transportation available.
4. Not more than one employee representative will be released in without-loss-of-straight-time-pay status for attendance at any one (1) arbitration hearing.
5. The University shall not be responsible for any lodging, travel expenses or other expenses incurred by grievants, witnesses, employee or UPTE representatives with regard to the union's presentation in the arbitration hearing.

K. EXPEDITED ARBITRATION

The parties may agree to use an expedited form of arbitration, to be agreed to by the parties and the arbitrator.

L. ARBITRATION PANEL

1. The parties will make an attempt to agree on the panel of thirty (30) arbitrators, with fifteen (15) on a Northern Panel, and fifteen (15) on a Southern Panel. Nothing shall preclude the parties from including an arbitrator on both the northern and southern lists. If agreement cannot be reached on the names of the arbitrators on each list, the remaining number of arbitrators needed to complete a panel will be selected alternately by the parties. The party selecting first shall be determined by a flip of a coin.
2. After one (1) year from the date the panel members were initially selected, and annually thereafter, each party shall have the right to eliminate up to one (1) arbitrator from the panel. A party exercising this right shall notify the other party in writing of the name of the arbitrator to be stricken from the panel.
3. In replacing arbitrators who were eliminated from the panel, the procedure in Section L.1. shall be used again, but any arbitrator eliminated in Section L.2. above, may not be placed back on the panel until at least one (1) year from the date on which such arbitrator was stricken.
4. In the event one (1) vacancy in the panel of arbitrators occurs, other than the elimination of an Arbitrator by the parties pursuant to Section L.3., above, such vacancy may be filled by the parties within thirty (30) calendar days, using the procedures in Section L.1. and 2. above, if the parties agree that a replacement is necessary. In the event more than one vacancy in the panel of arbitrators occurs, such vacancy shall be filled by the parties within thirty (30) calendar days by using the procedures in Section L.1. and 2. above, unless both parties agree that no replacement is necessary prior to the annual panel review.
5. The northern list of arbitrators shall be used for arbitrations arising at the Davis, the Office of the President, Lawrence Berkeley Laboratory, Berkeley, San Francisco, Santa Cruz, and Merced locations, unless the parties agree to use an arbitrator from the southern panel. ARTICLE 4 CAMPUS CLOSURE

A. GENERAL PROVISIONS

1. Consistent with its management rights, the University has the sole, non-grievable right to curtail or shut down some or all of its activities, on a location-by-location basis, for periods of specific duration. By way of example and not limitation, such curtailment periods may represent: opportunities for energy/cost savings; adjustments to reduce levels of work activity due to transition periods in the academic calendar; "seasonal" or "holiday" influences on scheduled work activities; the occurrence at or on University facilities of major public events; and/or the occurrence of emergency or "forces of nature" situations adversely affecting normal University operations.
2. When feasible, the University shall provide UPTe and affected members of the bargaining unit with forty-five (45) calendar days advance notice of a closure. In the event an alleged violation of the notice is grieved/arbitrated, any remedy or arbitrator's award or decision acknowledging improper notice shall be limited to an amount of back pay and/or reinstatement of benefits which would make employees whole for the number of days the notice was deficient.

B. PAY STATUS

During a total or partial closure or curtailment of operations described in Section A., above, whether or not the University is able to anticipate such event, one or a combination of the following pay-status options may apply to affected employees.

1. Employees may elect to use accumulated vacation leave during the closure period. Newly-employed unit members will be allowed to use accrued vacation even if the required six (6) continuous months or quadri-weekly cycles on pay status have not been completed. Employees without sufficient accrued vacation time will be allowed to use up to three (3) days vacation leave prior to actual accrual.
2. Employees may elect to use accrued compensatory time to cover the scheduled time off or to offset the use of vacation time.
3. Employees who do not use vacation or compensatory time off may elect to take a leave without pay during the closure. Notwithstanding the provisions of Article 41, Vacation, and Article 36, Sick Leave, if an employee is in leave-without-pay status due to a location closure which is three consecutive days or less in duration, such a full-time or part-time employee shall continue to accrue vacation and sick leave at his/her normal rate.
4. Employees who do not select from Section B.1., 2., or 3., above or who do not qualify for Section B.1., 2., or 3., above, shall, for the period of time necessary, be placed in a leave-without-pay status. The hourly accrual provisions in Section B.3. above, related to location closure(s) shall also apply to employees who are placed in leave-without-pay status.

ARTICLE 6
CORRECTIVE ACTION, DISCIPLINE AND DISCHARGE

A. GENERAL PROVISIONS

Corrective Action is an action designed to improve conduct or performance, which does not involve an adverse impact on rights, pay, or benefits. Discipline is an action imposed on a non-probationary employee when corrective action has proven ineffectual or when the employee's misconduct or failure to perform satisfactorily is serious enough to warrant discipline. The University has the authority to discharge or to take other appropriate disciplinary action against a non-probationary employee for just cause.

B. TYPE OF ACTIVITY

The University may use an oral reprimand or counseling memorandum as corrective action. Discipline may involve a written warning, suspension without pay for up to five (5) working days without prior notice, suspension beyond five (5) working days with notice, salary reduction, demotion for failure to meet performance standards, as defined in Section C., below, or discharge. Employees who are suspended without pay for up to five (5) working days, and who wish to contest the suspension, must grieve within the time limits established by the grievance procedure of this Agreement. Corrective actions are not subject to the grievance or arbitration procedures of this Agreement.

C. DEMOTION

The University may demote an employee to a lower classification, with concurrent reassignment to work of lesser duties and responsibilities, based on a demonstrated failure to meet the performance standards of the higher classification. Such action shall take place only after reasonable attempts to correct the deficient performance have failed. Demotion shall be subject to the grievance and arbitration procedures.

D. INVESTIGATORY LEAVE

The University may place an employee on investigatory leave with pay in order to review or investigate allegations of conduct which, in the University's view, would warrant relieving the employee immediately from all work duties. An investigatory leave with pay shall not be considered corrective action or discipline as defined in this Article.

E. NOTICE

1. When the University intends to suspend for more than five (5) working days, reduce an employee's salary for more than thirty (30) working days, demote, or discharge an employee, written notice of its intent shall be given to the employee. Such notice shall be made either by delivery of the notice to the employee in person, or by placing the notice of intent in the United States mail with first class postage paid in an envelope addressed to the employee at his/her last known home address. In either case, a copy of the notice of intent shall be sent by United States mail, first class postage paid, to UPTe. It shall be the responsibility of the employee to inform the University in writing of any change of home address. Whether delivery is made in person or by mail, the notice of intent shall contain a proof of service indicating the date on which the notice of intent was personally delivered or mailed. Such date of personal delivery or mailing shall be the "date of issuance" of the notice of intent.
2. The notice shall:
 - a. Inform the employee of the action intended, the reason for the disciplinary action and the effective date of the action;
 - b. Include a copy of the charge and material upon which the charge is based; and
 - c. Inform the employee of the right to respond and to whom to respond within the time limit in Section F., below, either orally or in writing in accordance with Section F., below.

F. EMPLOYEE RESPONSE

1. The employee shall be entitled to respond, orally or in writing, to the notice of intent described in Section E., above. If the written notice of intent is delivered in person to the employee, the employee's response must be received within ten (10) calendar days from the date of issuance, in accordance with instructions given by the University in the written notice. If the written notice of intent is mailed to the employee and UPTe, the employee's response must be received within fourteen (14) calendar days from the date of the US Postal Service postmark.
2. After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. Such action to be taken may not include discipline more severe than that described in the notice of intent; however, the University may reduce such discipline without the issuance of a further notice of intent. When such action includes a

suspension without pay for five (5) days or longer, a copy of the letter of discipline/suspension will be sent concurrently to UPTE.

G. PERSONNEL RECORDS

1. A counseling memorandum may be placed in the employee's personnel records.
2. A copy of a written warning given or mailed to an employee shall be placed in the employee's personnel records. The University agrees that written warning shall be accompanied by a proof of service.
3. There shall be no charge for the first copy of the contents of the employee's personnel file.

H. REPRESENTATION

1. A non-probationary employee shall have the right of representation at any scheduled investigatory meeting, the outcome of which may be a disciplinary act of written warning, suspension without pay, demotion or discharge. The University shall advise an employee of any scheduled investigatory meeting the outcome of which may be a written warning, suspension without pay, disciplinary demotion or discharge. An employee may request a representative of the employee's choice other than a University employee who has been designated as supervisory, managerial, or confidential to be present when there is reason to believe that a meeting may result in disciplinary action as defined above. If the employee's preferred representative is not available to attend a meeting scheduled by the University, the employee shall arrange for an alternative representative for the meeting. If no alternative representative can be found for the scheduled meeting, the University may reschedule the meeting within eight (8) calendar days, unless otherwise agreed to by the parties.
2. The term "meeting" does not include the occasion in which the University only presents an employee with written confirmation of the results of the prior meeting referenced in Section H.1., above.

However, additional deductions from the employee(s) subsequent earnings shall not exceed two times the normal dues amount in any given pay period.

ARTICLE 8 GRIEVANCE PROCEDURE

A. GENERAL CONDITIONS

1. A grievance is a written complaint by an individual employee, a group of employees, or UPTe that the University has violated a specific provision of this Agreement. The University shall not have the right to use the grievance procedure.
2. No employee shall be subject to reprisal for using or participating in the grievance procedure of this Agreement.
3. Filing
 - a. All grievances must be filed with the campus/hospital/laboratory Labor Relations office at the campus/hospital/laboratory that employs the grievant within the time frames specified in this Article, on a form agreed to by the parties (see Appendix D). If the grievance is for more than one (1) employee, all individuals adversely affected will be identified on the grievance form by UPTe to the extent UPTe knows who the affected employees are at the time of filing.
 - b. The grievance form must be signed and dated by the employee(s) or the employee's representative upon submission to the University. Union grievances must be signed by the UPTe President or designee. UPTe will identify designee(s) in writing to the University.
 - c. The grievance form (see Appendix D) shall be furnished to the employee by either UPTe or the University designee, although failure of a University Representative to provide a grievance form upon request shall not constitute cause for an extension of the time lines for filing, nor shall the employee of UPTe be able to grieve the University's failure to provide a grievance form.
 - 1) Only one subject matter shall be covered in any one grievance. A formal grievance must identify the specific Article(s) and Section(s) of this Agreement alleged to have been violated; describe the action(s) which allegedly violated the identified Article(s) and Section(s), together with the date(s) of the action(s); and describe the remedy requested.
 - 2) Receipt of the grievance shall be acknowledged in writing by the University as soon as practicable following receipt, and sent to the non work address listed on the grievance form. If the grievance is incomplete or does not identify the information required in Section A.3.c.1. above, the University will advise the representative to complete the information within seven (7) days of the date of the acknowledgement. The provision of information does not in any way extend the original thirty (30) days to file the grievance.

- 3) For the initial filing of a grievance, the date filed shall be the date received. However, if the grievance is mailed, the date of the US Postal Service postmark shall be considered the date filed. For grievance appeals and responses, the date of issuance shall be the date hand--delivered, or the date of the US Postal Service postmark, if mailed. Grievances may be filed by facsimile where UPTE and the University have mutually agreed in writing that grievances may be filed by facsimile. Additionally, if a grievance is filed by facsimile, a signed hard copy must be received by the University within five (5) business days. The date and the time registered by the University's facsimile machine shall constitute the official date of the receipt. If the registered date on the facsimile falls outside the campus's business hours, the following business day shall constitute the official date of receipt
4. No remedy shall exceed restoring to the grievant the pay, benefits or rights lost as a result of the violation of the contract, less any income earned from any other source including, but not limited to, workers' compensation, or any other employment.
5. Terms/Definitions

For the purposes of this Article, the terms:

- a. "grievant" means any eligible employee covered by this contract who has a grievance or complaint (as defined by this Agreement);
- b. "other grievance representative" means any person representing an employee covered by this contract, other than an UPTE-designated employee representative or an UPTE representative, in the resolution of his/her grievance other than a person who has been designated as supervisory, managerial, or confidential;
- c. "UPTE-designated employee representative" means any employee covered by this contract who is a designated union representative of UPTE, in accordance with the provisions of Article 2, Section C.;
- d. "UPTE representative" means any person who is a non-university employee designated by UPTE to act in the interest of or on behalf of UPTE;
- e. "the parties" means the University and
 - 1) the "grievant(s)", when the grievant(s) is self-represented or is represented by an individual, as defined in Section A.5.b. above; or
 - 2) the "UPTE representative" or the "UPTE-designated employee representative" when the grievant(s) is represented by an individual, as defined in Section A.5.d. or Section A.5.c. above; or

3) UPTE, when UPTE is itself the grievant.

f. "witness" means any employee who is serving as a witness in a grievance proceeding; for the purposes of release time, said employee must be covered by this contract.

B. EMPLOYEE REPRESENTATION

A grievant shall have the right to be represented at all steps of the grievance procedure by an UPTE representative or an UPTE-designated employee representative, or any other one person of the grievant's choice other than a University employee who has been designated as supervisory, managerial, or confidential.

C. TIME LIMITS

1. Other than the time limits for the initial Step 1 filing of a grievance, the time limits as specified in this article may be extended by mutual agreement of the parties. Extensions must be in writing and must be signed by the parties in advance. The parties may mutually agree to skip any steps of the grievance procedure. Such an agreement must be in writing and must be signed by the parties.
2. Deadlines that fall on a day that is not a regular business day will automatically be extended to the next business day.
3. If a grievance is not appealed to the next step of the procedure within applicable time limits, and an extension has not been agreed to in advance, the grievance will be considered resolved on the basis of the last University response to the grievance and shall be considered ineligible for further appeal.
4. Request That Grievance Be Placed In Abeyance – Should the grievant and/or UPTE make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed ninety (90) days, except in cases of sexual harassment where it shall be one hundred-eighty (180) days. Failure by UPTE to reactivate the grievance within the ninety (90) day time limit, except in the case of sexual harassment where it shall be one hundred-eighty (180) days, following agreement by the parties that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.

D. GRIEVANTS WHO HAVE RESIGNED

Grievants who voluntarily resign or retire their employment with the University shall have their pending grievances immediately withdrawn and will not benefit by any subsequent settlement or disposition of any individual, union, or group grievance.

E. However, if the group or union grievance is related to the implementation of a compensation provision negotiated in a UC/UPTE Agreement, the grievance may be continued if it has moved to Step 2 before the date of the employees' resignation or retirement. The foregoing provision shall not apply to LBNL.

F. GRIEVANCE PROCEDURE - INFORMAL REVIEW

Before commencing the formal grievance procedure, an individual employee, or group of employees, with or without their representative, may first attempt to resolve informally the grievance with the immediate supervisor.

G. GRIEVANCE PROCEDURE - FORMAL REVIEW

1. Step 1:

- a. All grievances (individual, group, or union) must be filed either by U.S. mail or hand delivery, and received by the Labor Relations Office at the campus/hospital/laboratory which employs the grievant(s) within thirty (30) calendar days after the date on which the employee or UPTE knew or could be expected to know of the event or action giving rise to the grievance. Informal attempts of settlement to resolve shall not extend time limits including the initial thirty (30) day filing limit.
- b. Grievances received after the filing deadline will be processed solely for the purposes of determining whether the grievance was untimely. Any formal grievance which is not received in accordance with Section F.1., or this section, shall be reviewed only in accordance with the review procedures in Section Q.
- c. University Review:
 - 1) The University's written response will be issued to the grievant and the representative, if any, within fifteen (15) calendar days after the formal grievance is filed. If the response is not issued within this time limit, or if the grievance is not resolved at Step 1, the grievance may proceed to Step 2.
 - 2) Resolution of the grievance at Step 1 or earlier, although final, shall not be precedent-setting.
- d. Sexual Violence/Sexual Harassment Complaint Resolution Procedures:
 1. An employee alleging sexual violence/sexual harassment may elect to substitute a campus/hospital/laboratory Sexual Violence/Sexual Harassment Complaint Resolution Procedure for Step 1 of the Grievance Procedure. An employee who elects to use the Sexual Violence/Sexual Harassment Complaint Resolution Procedure may return to the grievance procedure only if they filed a grievance within the 30-day time limit for filing. An employee who elects to resume the regular grievance procedure in place of the Sexual Violence/Sexual Harassment Complaint Resolution Procedure shall do so by sending written notice to the University. The University's Step 1 Grievance response will be issued within fifteen (15) calendar days after the notice is received by the designated University official. If the second step of the grievance is not invoked by the grievant or UPTE, the University

will hold the grievance in abeyance for up to one hundred-eighty (180) days.

2. If no report issues from the sexual violence/sexual harassment process or the employee elects to use the sexual violence/sexual harassment process and for any reason the grievance is in abeyance for more than one hundred-eighty (180) days, the case will be considered withdrawn by the grievant, unless expressly confirmed in writing to be in abeyance. Any request for extension of the abeyance will be subject to new deadlines pursuant to this Section.
3. Grievances that allege violations involving sexual harassment and/or sexual violence that were the subject of an investigation by the University are subject to the limits set forth in Article 22, Section B of this agreement and cannot be moved to the arbitration level until sixty (60) days after the finalization of the Title IX report.
4. Evidence no matter how categorized, relied upon or included into the Title IX report can be introduced at the arbitration hearing when a grievance alleges violations of sexual harassment and/or sexual violence.

2. Step 2:

- a. If the grievance is not resolved at Step 1, the grievant or the Union may proceed to Step 2 by filing a written appeal with the Labor Relations Office within fifteen (15) calendar days of the date the written response is issued or, if not issued, is due.
- b. Unless the parties agree otherwise, the designated University local official shall convene a meeting with the grievant(s) and the grievant's representative, if any, to attempt to resolve the grievance. The meeting shall be convened no later than fifteen (15) calendar days following receipt of the appeal to Step 2. During the Step 2 meeting, the parties shall discuss information and contentions relative to the grievance.
- c. During the Step 2 process, the parties may agree in writing to amend the alleged violations stated in the original grievance.
- d. If requested by the grievant, a second UPTE representative may participate in the Step 2 meeting. In the event a second UPTE representative attends, only one representative may actively participate in the grievance meeting, and the University shall pay release time for only one representative.
- e. If a grievance that alleges a violation of Article 6 – Corrective Action, Discipline and Discharge only is not satisfactorily resolved at Step 2, UPTE may appeal directly to arbitration in accordance with Article 3 – Arbitration Procedure.

- f. A written decision shall be issued within fifteen (15) calendar days following the Step 2 meeting, or receipt of the Step 2 appeal if it is agreed that no meeting will be held.

3. Step 3:

- a. All grievances that are not satisfactorily resolved at Step 2 may be appealed to Step 3. The appeal must be filed with the Director of Labor Relations in the Office of the President within fifteen (15) calendar days of the date the University's Step 2 written answer was issued or, if no University answer was issued, within fifteen (15) calendar days of the date the University's answer was due.
- b. An appeal to Step 3 shall be accomplished as follows:
 - 1) Delivery by U.S. Mail;
 - 2) Personal Presentation with mutual acknowledgment from the person delivering the document(s) and the person accepting delivery of document(s) by signing and dating the document(s) and each of them retaining one of the signed and dated documents; or
 - 3) Email to AppealAGrievance@ucop.edu.
 - a) Email submissions must include PDFs of all documents, information and signatures necessary to be in compliance with the Grievance Procedure provisions of this Agreement.
 - b) The 'date of filing' for emailed Appeals to Step 3 shall be the date received, provided that the appeal is received during business hours. If a Step 3 appeal is received outside of normal business hours, the first following business day will be deemed the filing date of the Appeal to Step 3.
 - c) The University shall acknowledge the Union's Appeal to Step 3 through a computer-generated, automatic email response.
- c. The Step 3 appeal shall identify all unresolved issues, alleged violations and remedies, and shall be signed and dated by the grievant or their representative. The subject of the grievance as stated at Step 2 shall constitute the sole and entire subject matter of the appeal to Step 3.
- d. The Office of the President Office of Labor Relations official shall issue the University's written answer to a Step 3 appeal within thirty (30) calendar days of the receipt of the appeal. The answer will be issued to the grievant when self-represented, or to the employee's representative.

- e. By mutual agreement between the University and UPTE, Step 3 may also be the first step in the Grievance Procedure when UPTE is filing a grievance on behalf of employees at more than one location. Such a grievance must be filed within thirty (30) calendar days of the action that gave rise to the grievance and follow all other requirements of Section A.3 Filing above.

4. Appeals to Arbitration

If an appeal to arbitration is not post marked or hand delivered within thirty (30) calendar days of the issuance of the University's Step 3 answer, Section C. of this article shall apply.

G. UNION GRIEVANCES

UPTE shall have the right to present grievances under this procedure on behalf of an individual employee, on behalf of a group of employees, or on behalf of itself. It shall be the Union's responsibility to inform an employee that it is bringing a grievance.

H. GROUP GRIEVANCE

A group grievance is defined as a grievance that covers more than one employee, and that involves like circumstances and facts. A group grievance must be so identified on the grievance form at Step 1. If an employee wishes to withdraw from a group grievance represented by UPTE, the employee shall notify UPTE. UPTE shall in turn notify the University in writing if the employee is to be withdrawn.

I. CONSOLIDATION OF GRIEVANCES

Grievances of two or more employees, as well as multiple grievances by or related to the same employee, or which relate to the same incident, issue, alleged violation, facts, or course of conduct, may be consolidated. Consolidation or severance of grievances shall occur by mutual written agreement.

J. OFFERS OF SETTLEMENT

Settlement offers made at any stage of this procedure, including informal resolution, shall not be introduced as evidence in subsequent steps, and shall not be precedent setting.

K. RETROACTIVITY

Settlement of grievances may or may not be retroactive as equities of a particular case may demand. In any case where it is determined that the settlement shall be applied retroactively, except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, the maximum period of retroactivity allowed shall not in any case be made retroactive to a date earlier than thirty (30) calendar days prior to the initiation of the written grievance in Step 1.

L. EXCLUSIVE PROCEDURE

The Grievance Procedure set out in this Article shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the alleged violation of this Agreement. Unless otherwise indicated within this Agreement, any previous grievance procedure or other procedure in existence or adopted by the University shall not apply to employees covered by this Agreement for any purposes whatsoever.

M. RELEASE TIME AND PAY STATUS FOR GRIEVANTS, EMPLOYEE REPRESENTATIVES AND/OR WITNESSES

3. University-Convened Meetings

- a. If the University convenes a meeting involving the parties to a grievance for the purposes of resolving the grievance and/or completing the steps of the Grievance Procedure, the grievant(s), witness(es), if any, and UPTE-designated employee representatives eligible to attend such meeting pursuant to this article and Article 2 – Access, Section C. shall be in without-loss-of-straight-time-pay status during the meeting provided:
 1. Such meeting occurs during the regularly scheduled hours of work of the grievant(s), UPTE-designated employee representative, and/or witness(es); and advance request is made and approval is received from the supervisor of the grievant(s), the witness(es), and/or the UPTE-designated employee representative. Approval to attend shall be made on an operational needs basis and shall not be unreasonably denied.
 2. A grievant or the representative may request the availability of bargaining unit employee witnesses for University-convened grievance meetings. The availability of bargaining unit employee witnesses shall be determined by their immediate supervisor(s) on the basis of operational needs, and such requests shall not be denied unreasonably. Witnesses shall be in a without-loss-of-straight-time-pay status if the information they provide pertains to the subject of the grievance and the criteria enumerated above (Section M.1.a. and Section M.1.b. below) are met. Grievants and UPTE agree that every effort shall be made to avoid the presentation of repetitive witnesses and the absence of any or all witnesses shall not require the meeting to be recessed or postponed.
- b. The University is not responsible for any travel or lodging expenses or any other expenses incurred by the representative, grievant or union witnesses.
- c. Paid release time for UPTE designated employee representatives for purposes other than University convened meetings shall be provided in accordance with Article 2 – Access.

N. EXCLUSION OF LIMITED APPOINTMENT EMPLOYEES AND PROBATIONARY EMPLOYEES

The retention or release of limited appointment employees and probationary employees or the non-scheduling of per diem employees, if applicable, is at the sole discretion of the University, and shall not be subject to Article 8 – Grievance Procedure or Article 3 – Arbitration Procedure of this Agreement.

O. OTHER REPRESENTATION

Grievants may choose a representative other than an UPTE representative for purposes of grievance representation and adjustment. In the event the University is involved in the resolution of a grievance from a grievant or group of grievants who are self-represented or represented by someone other than an UPTE representative:

1. The University shall provide UPTE with a copy of the grievance and the proposed resolution, indicating the grievant or grievants have chosen a representative other than UPTE.
2. UPTE shall have ten (10) calendar days from the date the University provides the material referenced above in which to comment in writing on the proposed resolution.
3. The University shall not implement the proposed resolution of the grievance until timely receipt and review of UPTE's written comments, if any.
4. The resolution of grievances presented by someone other than an UPTE representative shall be consistent with the terms of this Agreement.

P. GRIEVANCE FILE

Records involving the processing of an employee's grievance, such as the grievance form, step appeals/responses, and settlement documents, will be kept in a file separate from the employee's personnel file. It is not the intent of this section to exclude from the employee's personnel file final disciplinary action documents, including those that result from a settlement agreement.

Q. REVIEW OF GRIEVANCES CLOSED FOR PROCEDURAL DEFECTS

When the University determines a grievance is ineligible for further processing due to procedural defects, including but not limited to timeliness, UPTE may make a written appeal to the Office of the President Labor Relations within thirty (30) calendar days of the postmark of the notification to the grievant(s). This appeal is solely limited to a review of the procedural issue(s). If the Office of the President denies this appeal UPTE may appeal the issue of the closure of the grievance directly to arbitration per Article 3, Arbitration, within thirty (30) calendar days of the issuance of the denial of the appeal.

ARTICLE 9 HEALTH AND SAFETY

A. GENERAL CONDITIONS

1. Within the overall University responsibility to provide medical care, the University shall make reasonable attempts to furnish and maintain in safe working condition the workplace and equipment required, in order that employees within the bargaining unit might carry out the duties of their positions.
2. UPTe and the University agree that exposure to risks from the patient populations the University treats is inherent in employment. The University shall make reasonable attempts to provide bargaining unit employees with such equipment, methods, practices, processes and procedures, as are necessary under applicable law to afford a working environment as safe and healthful as the nature of employment reasonably permits.
3. An employee may request an ergonomic evaluation of their work station. The University will provide a response to the employee within thirty (30) calendar days after the ergonomic evaluation report is submitted. The response shall include the action(s) to be taken, if any.
4. No employee shall be retaliated against for identifying and/or expressing concern about any safety-related issue.

B. ASSIGNMENTS

An employee shall not be assigned to any task abnormally dangerous or hazardous at the employee's place of employment. An abnormally hazardous or dangerous task shall be defined as those tasks, the dangers or hazards of which are identifiably greater than the dangers or hazards inherent to the usual performance of a given job. In the event an employee within the bargaining unit regards an assigned task as abnormally dangerous the employee shall notify the immediate supervisor of the claim that the task assigned is abnormally dangerous. In attempting to resolve the employee's claim, the supervisor or the employee may contact the appropriate Environmental Health & Safety / Safety personnel at the location. The supervisor shall attempt to make workplace task performance and/or task assignment changes consistent with health and safety considerations and the availability of additional or alternate personnel. The supervisor may direct the employee to perform the task, or may assign the affected employee to other available work consistent with the work usually performed by the employee.

C. RELATED GRIEVANCES

1. If the matter is not resolved to the satisfaction of the employee and/or the employee carries out the task, the employee may later file a grievance in accordance with the grievance procedure of this Agreement. If the employee unreasonably refuses to perform the task, the employee may be subject to discipline.
2. Any grievance filed by an employee alleging the assignment of an abnormally hazardous or dangerous task shall include a statement containing all facts, including time, place of incident, name of persons involved, type of object or substance likely to cause injury, and a description of the likely injury which might have resulted from the assignment of such task. Employees are expected to work overtime when such work is assigned.

1. The University has the sole, non-grievable, non-arbitrable right to determine when temporary, emergency, or indefinite layoffs shall occur. If, in the judgment of the University, a layoff is necessary, staffing levels will be reduced in accordance with this Article. The University shall determine the unit of layoff and which positions are to be subject to layoff. When the University determines that there is to be a layoff within the bargaining unit, it shall give UPTE advance notice in accordance with Sections C. and D. below.
2. Layoffs may be emergency, temporary or indefinite.

An individual employee may not be subject to emergency layoffs for more than fifteen (15) calendar days. An emergency layoff requires no advance notice.
2. A temporary layoff is one for which the University specifies an affected employee's date for return to work of not more than one hundred-twenty (120) calendar days from the effective date of the layoff.
3. An indefinite layoff is one for which the affected employee receives no date for return to work, or no date of restoration to his/her former appointment rate.

- b. For conversion from temporary layoff to indefinite layoff, the University shall give thirty (30) calendar days' notice, if feasible.
- c. If less than fifteen (15) calendar days' notice is granted, the affected employee(s) may receive straight time pay in lieu of notice for each additional day the employee(s) would have been on pay status had the employee(s) been given fifteen (15) calendar days' notice. Pay in lieu of notice is provided for reductions in appointment rate only for the difference between the two rates.

2) Notice of a change in temporary layoff dates does not invoke the "pay in lieu of notice" provisions of this Article.

e. When the University determines that a temporary layoff is imminent, it shall give UPTE such notice as is reasonable under the circumstances. The notice shall describe the general area(s) which may be affected. The University shall notify the union concurrent with notification to affected HX employees that they are to be laid off, or that changes in the temporary layoff dates have occurred.

- d. Employees in the unit(s) affected by the layoff who have more seniority than those employees designated for layoff may volunteer to waive their seniority rights solely in order to be designated for the layoff. Such employees shall be provided all rights under Section D.4., and Section D.5., below, beginning at the time of notification of Indefinite layoff.

- e. Where electronic job placement bulletin boards are in use, the University shall provide bargaining unit members access to such placement bulletin boards to the same degree as such bulletin boards are made available to other staff employees. - e. The right to preference for reemployment terminates:
 - 1) Upon the employee's retirement; or
 - 2) At the end of the eligibility period; or
 - 3) If an HX employee refuses recall under the provisions of Section D.4., Recall, above; or
 - 4) If an HX employee refuses and/or fails to respond to a University inquiry concerning the employee's desire to remain on the preference for reemployment list; or
 - 5) If an HX employee accepts a career position; or
 - 6) If an HX employee refuses to accept a position offered by the University which is at the same or higher salary level (as determined by the salary range maximum); and, is at the same or higher appointment rate held by the HX employee at the time of layoff; or
 - 7) If a career employee who has received her/his notice of indefinite layoff elects to receive severance pay in lieu of preferential rehire.

- f. The right to preference for reemployment continues during, but is not extended by, temporary periods of employment in limited appointment and/or Per Diem positions.
6. Severance – Effective March 30, 2007 through the Duration of the Agreement.
- a. A career employee who has received notice of indefinite layoff may elect, in writing, to receive severance pay in lieu of preferential rehire and recall rights within fourteen (14) calendar days of receipt of the notice of layoff. Election is irrevocable. Each medical center/campus department shall, in each instance of layoff, not reduction in time, offer severance in lieu of preferential rehire and recall rights with reduced severance to all employees in the department affected by the layoff. Employees who are reduced in time may elect only severance pay (proportional to their reduction in time) in lieu of preferential rehire and recall rights. Severance pay shall be in accordance with the following:
 - 1) Payment. An employee who elects severance pay in lieu of preferential rehire and recall rights shall be paid a lump sum as follows:
 - a. Employees with less than five (5) years of University service shall receive two (2) weeks severance pay.
 - b. Employees with five (5) or more years of University service shall receive five (5) weeks severance pay, plus one week for each additional year of service, up to a maximum of sixteen (16) weeks.
 - c. Employees who are laid off following a reduction in time that occurred within sixty (60) calendar days of the layoff shall be eligible for severance, or reduced severance, on the basis of their percentage of appointment just prior to their reduction in time.
 - d. This section shall not apply to temporary layoff.
 - e. Failure to make an election as provided in Section 6 will result in the employee receiving preferential rehire and recall rights and extinguish the right to severance pay.

b. Reduced Severance (with Preference and Recall)

- 1) A career employee who has received notice of indefinite layoff may elect, in writing, to receive preferential rehire and recall rights with reduced severance within 14 days of receipt of the notice of layoff. Election is irrevocable. The University shall offer severance in lieu of preferential rehire and recall rights with reduced severance to all eligible employees in the department affected by the layoff. Reduced severance pay shall be in accordance with the following:
- 2) Employees with less than five (5) years of service are not eligible for reduced severance under this section.
- 3) Employees with five (5) or more years of service shall receive four (4) weeks reduced severance.
- 4) Employees with 13 or more years of service shall receive eight (8) weeks reduced severance.
- 5) Employees who are laid off following a reduction in time that occurred within sixty (60) calendar days of the layoff notice shall be eligible for reduced severance on the basis of their percentage of appointment just prior to their reduction in time.
- 6) This section shall not apply to temporary layoff or reduction in time.
- 7) Failure to make an election as provided in Section 6 will result in the employee receiving preferential rehire and recall rights and extinguish the right to the reduced severance pay option.

- c.
- 1) UPTE will be notified if an employee has been provided severance or reduced severance.
 - 2) Should an employee, as a result of a grievance, arbitration, or settlement agreement, be returned to work or be rehired or preferentially rehired or recalled, related to the layoff, the severance or reduced severance received will be deducted from the back pay award, if any, or credited as an advance on earnings, if proportional severance is to be returned.

- d.
 - 1) An employee cannot be returned to work without first repaying the severance or reduced severance or signing a severance repayment agreement. The employee's failure to complete the severance repayment obligation shall not increase the University's back pay liability, if applicable.
 - 2) Repayment. An employee who has received severance pay under this provision and who returns to work in a career position with the University at the same or higher salary and same or higher percentage of time as the position held at the time of layoff shall repay to the University the portion of severance pay received that exceeds the time the employee was laid off. Before returning to work, the employee must make repayment in full or sign a repayment agreement.

E. CONTINUITY OF SERVICE UPON REEMPLOYMENT

1. A layoff of one hundred-twenty (120) calendar days or less does not create a break in service.
2. Reemployment in a career position within the period of right to recall or preference provides continuity of service and reinstates previous seniority.
3. Seniority accrues, and benefit accruals are accumulated, only when an employee is on pay status.

F. BENEFIT COVERAGE

Medical and retirement plan coverage may be provided to employees in layoff status, in accordance with the Plan Regulations and Documents. An employee in layoff status should discuss his/her medical and/or retirement coverage with the campus/hospital benefits office representative.

G. LAWRENCE BERKELEY NATIONAL LABORATORY

Policies, procedures, definitions, qualifications, and calculations in effect at PERB's certification of UPTC-CWA Local 9119, on September 15, 1997, relative to severance pay, preferential rehire, and recall shall remain in effect for employees at the Lawrence Berkeley National Laboratory and shall supersede the provisions of this Article where in conflict with the agreement.

ARTICLE 14 LEAVES OF ABSENCE

A. GENERAL PROVISIONS

Subject to the provisions of this Article and any applicable law, leaves of absence may be with or without pay, may be for medical purposes and/or non-medical reasons, and are subject to the approval of the University. Nothing shall preclude the University, on a campus-by-campus basis, from establishing, implementing, or continuing a Catastrophic Illness or Injury Leave policy covering bargaining unit employees.

If applicable state or federal law requires that the University offer any leave in a manner that is more generous to employees than is currently provided in this Article, the University will comply with the law. The University will provide notice to UPTe no less than thirty (30) calendar days prior to implementing any such change.

1. Definitions

- a. Non-medical leaves of absence, with or without pay, include: Family and Medical Leave ("FML") taken for certain purposes (to care for a family member with a serious health condition, Parental Leave, Military Caregiver Leave, and Qualifying Exigency Leave), as well as leave for jury duty, voting, blood donations, administrative or legal proceedings, emergencies, and University functions.
- b. Medical Leaves, with or without pay, include: FML taken because of the employee's own serious health condition or the employee's pregnancy disability, Pregnancy Disability Leave (whether or not it qualifies as FML), and Disability Leave.
- c. FMLA is the federal Family and Medical Leave Act of 1993.
- d. CFRA is the California Family Rights Act of 1995.
- e. PDLL is the California Pregnancy Disability Leave Law, which is part of the California Fair Employment & Housing Act.

2. Use Of Family And Medical Leave (FML) Entitlement

- a. If an employee eligible for FML takes a leave for an FML-qualifying reason (as defined in Section B. below), the absence from work shall be deducted from the employee's FML entitlement.

- b. If an employee is ineligible for FML or has exhausted their calendar year entitlement and requests leave for a serious health condition that would qualify as a disability, an approved disability leave of absence may be provided for the period(s) an eligible employee is absent from work for verifiable medical reasons as provided in Section C. and Section D. of this Article.

3. **Benefit Eligibility While On Leave Without Pay**

- a. Special Benefit Eligibility For FML Leaves – A benefits-eligible employee shall have University-provided health benefits continued for the period of the FML Leave in accordance with Section B.1.h. of this Article.
- b. An approved leave without pay shall not be considered a break in service.
- c. The provisions of Article 36 - Sick Leave, Article 42 - Vacation, and Article 40 - University Health and Welfare Benefits shall apply when employees are on an approved leave without pay.
- d. A benefits-eligible employee on an approved leave without pay other than an FML Leave may elect to continue University-sponsored insurance coverages (as determined by plan documents and/or regulations) for the period of the leave by remitting the entire premium amount due for the period of the approved leave, in accordance with the provisions of the applicable plan(s). Regulations of the retirement systems determine the effects of leave without pay on retirement benefits. See Section B.1.h. below for Benefit Eligibility when an employee is on an unpaid FML Leave.

4. **Requests For Leave**

Except as provided under Section B.1.e – Family and Medical Leave (FML)/Notification below, requests for leaves of absence and extensions, with or without pay, shall be submitted in writing to the University. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request. All requests for leaves of absence shall contain the requested beginning and end date of the leave, and any additional information as required.

5. **Duration**

- a. The start date of the leave, the terms of the leave and the date of return from the leave are determined when the leave is granted, and shall be communicated to the employee, in accordance with the provisions of this Article. For leaves other than FML, written confirmation shall be provided when the University determines such confirmation is appropriate. For leaves that are FML, see Section B.1.c. below.
- b. Except as provided for under Section C. – Pregnancy Disability Leave, Section D. – Disability Leaves Other than Pregnancy Disability Leave, or Section F.2. – Personal Leaves of Absence Without Pay below, the aggregate maximum of leaves taken in any combination shall not exceed six (6) months in any one (1) year period unless otherwise required by law.
- c. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond their appointment end date or the predetermined date of separation.

6. Return To Work

- a. Except as provided in Section B. – Family and Medical Leave (FML), Section C. – Pregnancy Disability Leave, and Article 18 - Military Leaves, an employee who has been granted an approved leave with or without pay shall be reinstated to the same or a similar position in the same department upon expiration of the leave, in accordance with the Provisions of this Article. If the position held has been abolished or affected by layoff during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been working when the position was abolished or affected by layoff.
- b. Failure to provide a medical release to return to work, as required in Section B.1.i.(1)(b). and Section D.3. below or as may be required in Section C.4.e., may result in the delay of reinstatement until the employee submits the required medical release certification.
- c. An employee who has exhausted their original leave entitlement and who has been granted additional leave under another section of this Article shall be reinstated in accordance with the provisions of the section under which the additional leave was granted. The employee shall be advised in writing, at the time the additional leave is granted.

- d. An employee who fails to return to work from a leave of absence on the approved anticipated date of return shall be considered to have abandoned their job, in accordance with Article 33 – Resignation/Job Abandonment.

B. FAMILY AND MEDICAL LEAVE (FML)

An employee who is eligible for Family and Medical Leave (FML) and has not exhausted her or his FML entitlement for the leave year, as discussed below, may take FML for any of the following six reasons, as described in greater detail in this Section below:

- Due to the employee’s own serious health condition (see Section B.2.)
- To care for a family member with a serious health condition (see Section B.3.)
- As Pregnancy Disability Leave (see Section B.4.)
- As Parental Leave (see Section B.5.)
- As Military Caregiver Leave (see Section B.6.)
- As Qualifying Exigency Leave (see Section B.7.)

FML is unpaid leave, except as otherwise provided in this Article. See Section B.1.g. below.

1. General Provisions for FML

a. Definitions

- 1) **“Child”** means a biological child, adopted child, foster child, stepchild, legal ward, or child for whom the employee stands in *loco parentis*; provided that the child is either under 18 years of age or incapable of self-care because of a mental or physical disability.
- 2) **“Parent”** means a biological parent, foster parent, adoptive parent, stepparent, legal guardian or individual who stood in *loco parentis* to the employee when the employee was a child. "Parent" does not include the employee's grandparents or mother-in-law or father-in-law unless they stood in *loco parentis* to the employee when the employee was a child.
- 3) **“Spouse”** means a partner in marriage.
- 4) **“Serious health condition”** is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition that involves either inpatient

care or continuing treatment, including, but not limited to, treatment for substance abuse.

- a) “inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits them to the facility with the expectation that they will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
- b) “incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
- c) “continuing treatment” means ongoing medical treatment or supervision by a health care provider, as defined below.

- 5) “**Health Care Provider**” is an individual who is a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; a podiatrist, dentist, clinical psychologist, optometrist, chiropractor (limited to the treatment of the spine to correct a subluxation as demonstrated by x-ray to exist), physician assistant, nurse practitioner or nurse midwife performing within the scope of their duties as defined under State Law; a Christian Science practitioner; or any health care provider that the employee's health plan carrier recognizes for purposes of payment.

b. **Eligibility Criteria for FML**

- 1) Employees who have at least twelve (12) cumulative months of University service, and have worked at least 1,250 hours of actual service (as defined below) during the twelve (12) month period immediately preceding the commencement of the leave are eligible for FML under the FMLA and CFRA and shall be granted up to a total of twelve (12) workweeks of FML Leave in the calendar year if leave is requested for an FML-qualifying reason, except as otherwise provided in this Article. If the employee is taking FML as Military

Caregiver Leave, the employee shall be eligible for up to 26 workweeks of leave in a single 12-month leave period. If the employee is taking FML as Pregnancy Disability Leave, the employee shall be eligible for FML for the period of actual disability up to 4 months per pregnancy. For the purposes of this Article and Section B. only, all prior University service, including service with the Department of Energy Laboratories, shall be used to calculate the twelve (12) month service requirement.

- 2) **"1,250 Hours Of Actual Service"** is time actually spent at work and does not include any paid time off, such as vacation, compensatory time, or sick leave, holidays not worked, or time spent in unrestricted on-call status. However, for employees granted military leave, all hours that would have been worked had the employee not been ordered to military duty shall be used to calculate the 1,250 actual hours of work requirement.

c. **Duration of Leave**

FML shall not exceed twelve (12) workweeks in any calendar year except when it is used for Pregnancy Disability Leave or Military Caregiver Leave. If the employee is taking FML as Pregnancy Disability Leave, the employee shall be eligible for leave for the period of actual disability up to four (4) months per pregnancy. If the employee is taking FML for Military Caregiver Leave, the employee shall be eligible for up to 26 workweeks of leave in a single 12-month leave period.

For the purposes of FML, twelve (12) workweeks is equivalent to four-hundred eighty (480) hours of scheduled work for full-time career and limited appointment employees who are normally scheduled for an eight (8) hours per day five (5) days per workweek (8/40) schedule. While the use of FML need not be consecutive, in no event shall an employee's aggregate use of FML exceed a total of twelve (12) workweeks within a calendar year (or 26 workweeks in the single 12-month leave period if the employee is taking FML as Military Caregiver Leave or four (4) months per pregnancy if the employee is taking FML as Pregnancy Disability Leave).

- 1) **Hourly Conversion for Part-time or Alternately Scheduled Employees:** For employees who work part-time or a schedule other than an 8/40, the number of FML hours for which the employee is eligible shall be adjusted in accordance with their normal weekly work schedule. An

employee whose schedule varies from week to week is eligible for a pro-rated amount of FML based on their hours worked over the twelve (12) months immediately preceding the leave.

- 2) Any leave taken by an eligible employee that qualifies as FML (including leave for a Work-Incurred Injury or Illness under Article 45) will be designated as such by the University and will be counted against the employee's leave entitlement whether the leave is paid or unpaid. Such deductions will be made in increments that correspond to the amount of leave time actually taken by the employee (which could be weeks, days, hours, and/or partial hours).
- 3) If the employee has exhausted their entitlement to FML Leave, they may apply for additional leave pursuant to this Article.

d. **Forms in Which FML May Be Taken**

FML generally may be taken as a block leave or, in certain circumstances discussed below, on an intermittent or reduced schedule basis.

1) **Employee Requests for FML on an Intermittent or Reduced Schedule Basis**

When medically necessary and supported by medical certification, the University shall grant an eligible employee's request for FML for the employee's serious health condition, to care for a family member with a serious health condition, or as Military Caregiver Leave on an intermittent or reduced schedule basis, including absences of less than one (1) day. When granted, the University will count only the time actually spent on the intermittent leave or reduced work schedule toward the employee's FML entitlement for the applicable year.

An employee may take FML for Qualifying Exigency Leave on an intermittent or reduced schedule basis.

For requests to take FML as Pregnancy Disability Leave on an intermittent or reduced schedule basis, see Section C. below.

For requests to take FML as Parental Leave on an intermittent or reduced schedule basis, see Section B.5.e. below.

2) **Temporary Transfer to Accommodate Intermittent Leave or Reduced Work Schedule**

When the employee requests FML on an intermittent or a reduced schedule basis due to the planned medical treatment for the employee's serious health condition or the serious health condition of a family member, the University may, at its sole, non-grievable discretion, require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates the employee's recurring need for leave. Such alternative position shall have equivalent pay and terms and conditions of employment, but does not need to have equivalent duties.

e. **Notification**

- 1) If the employee learns of the event giving rise to the need for FML more than thirty (30) calendar days in advance of the leave's anticipated initiation date, the employee shall give the University at least thirty (30) calendar days notice of the need for leave. An employee who fails to give thirty (30) days' notice for a foreseeable leave with no reasonable basis for the delay, may have the FML leave delayed until thirty (30) days after the date on which the employee provides notice.
 - a) If the need for leave is foreseeable due to the planned medical treatment of the employee (due to the employee's serious health condition or pregnancy disability) or the planned medical treatment of the employee's family member with a serious health condition, the employee shall make reasonable efforts to schedule the treatment so as to not unduly disrupt the University's operations, subject to the approval of the health care provider.
 - b) If the need for leave is unforeseeable or actually occurs prior to the anticipated date of foreseeable leave, the employee shall provide the University with as much notice as practicable and, at a minimum,

notify the University within five (5) calendar days after learning of the need for leave.

- 2) The University shall determine whether the employee meets the eligibility requirements and qualifies for an FML Leave and shall, within five (5) days of that determination, notify the employee whether the leave is designated or provisionally designated as FML Leave. The start date of the leave, the terms of the leave and the date of return from the leave are determined when the leave is granted.
- 3) Extensions to an FML Leave may be granted, up to the aggregate maximum of twelve (12) workweeks in a calendar year (or 26 workweeks in a single 12-month leave period if FML is being taken as Military Caregiver Leave or four (4) months per pregnancy if FML is taken as Pregnancy Disability Leave). If an employee's need for leave continues after her or his FML entitlement has been exhausted, the employee may be eligible for a Disability Leave in accordance with Section D. of this Article or may request a Personal Leave in accordance with Section F. of this Article.

f. **Certification and Other Supporting Documentation**

1) **Certification When FML is Taken for the Employee's Own Serious Health Condition**

When FML is requested for the employee's own serious health condition, the University may, at its discretion, require that an employee's request for leave be supported by written certification issued by the employee's health care provider. When certification is required by the University, such requirement shall be made to the employee in writing. Certification may be provided by the employee on a form given to the employee by the University and shall, regardless of the format in which it is provided, include:

- a) a certification that the employee has a serious health condition as defined in Section B.1.a.(4). above, and
- b) a statement as to whether the employee is unable to perform any one or more of the essential assigned functions of the position, and
- c) the date on which the employee's serious health condition began, if known, the probable duration of

the condition and the employee's probable date of return, and

- d) whether it will be medically necessary for the employee to take leave intermittently or to work on a reduced work schedule, and if so, the probable duration of the need for such schedule, and,
- e) if the condition will result in periodic episodes of incapacity, an estimate of the duration and frequency of episodes of incapacity.

2) **Certification When FML Is Taken to Care for the Employee's Family Member with a Serious Health Condition**

When FML is requested so that the employee may care for a family member with a serious health condition, the University may, at its discretion, require that an employee's request for leave be supported by written certification issued by the family member's health care provider. When certification is required by the University, such requirement shall be made to the employee in writing. Certification may be provided by the employee on a form given to the employee by the University and shall, regardless of the format in which it is provided, include:

- a) certification that the employee's family member has a serious health condition as defined in Section B.1.a.(4)., above, and
- b) a statement that the family member's serious health condition warrants the participation of the employee to provide supervision or care (which includes psychological comfort) during the period of the family member's treatment or incapacity, and
- c) whether the employee's family member will need supervision or care over a continuous period of time, intermittently, or on a reduced schedule basis; the leave schedule the employee will need in order to provide that supervision or care; and the probable duration of that need for leave.

In addition, the employee will be required to certify either on the same form or separately what care they will provide the

family member and the estimated duration of the period of care.

3) **Certification When FML Is Taken as Pregnancy Disability Leave**

When FML is taken as Pregnancy Disability Leave, the employee may be required to provide a certification in accordance with Section C.4. below.

4) **Certification When FML Is Taken for Military Caregiver Leave**

When Military Caregiver Leave is requested, the employee may be required to provide a certification completed by an authorized health care provider of the covered servicemember, which includes health care providers affiliated with the Department of Defense, the Veterans Administration, and TRICARE, as well as any health care provider (as defined in Section B.1.a.(5). above) who is treating the covered servicemember. The certification should provide information sufficient to establish entitlement to Military Caregiver Leave, including information establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave and that the employee has a covered relationship with the employee, as well as an estimate of the leave needed to provide the care. When the covered servicemember is a covered veteran, the employee may be required to provide information establishing her or his veteran status, the date of separation from the Armed Forces, and that separation was other than dishonorable.

5) **Certification When FML Is Taken for Qualifying Exigency Leave**

When Qualifying Exigency Leave is requested, an employee may be required to provide a copy of the military member's active duty orders. Employees may also be required to provide certification of: 1) the reasons for requesting Qualified Exigency Leave, 2) the beginning and end dates of the qualifying exigency, and 3) other relevant information.

6) **Confirmation of Family Relationship**

The University may, at its sole non-grievable discretion, require that an employee complete a Declaration of Relationship form to certify their relationship with the child when the employee is requesting FML as Parental Leave or to certify their relationship with the family member when the employee is requesting FML to care for a family member with a serious health condition. The employee's failure to provide a completed Declaration of Relationship form within fifteen (15) calendar days of the University's request may result in discontinuance of the leave until the required documentation is provided. If the employee fails to provide the completed Declaration of Relationship form within a reasonable time as requested, FML leave will be denied.

7) **Questioned Medical Certifications**

Should the University have a good faith, objective reason to doubt the validity of the employee's certification for their own serious health condition, the University may, at its sole non-grievable discretion, require that the employee obtain a second medical opinion from a second health care provider selected by the University. Should the second medical opinion differ from the opinion of the employee's own health care provider, the University may, at its sole non-grievable discretion, require a third medical opinion from a third health care provider, jointly selected by the employee and the University. The University shall bear the cost of the second and third opinions, and the third opinion shall be final.

8) **Additional Certification and/or Recertification**

If additional FML is requested beyond the period supported by the certification previously provided or the circumstances of the leave have changed, the University may, at its sole non-grievable discretion, require the employee to obtain recertification. Also, when the certification states that the serious health condition of the employee or the employee's family member will last indefinitely, the University may, at its sole non-grievable discretion, require the employee to provide a new certification, but not more frequently than every 30 days. Such requests for subsequent certification and/or recertification shall be in writing. If certification and/or recertification is required, the employee shall return the certification within fifteen (15) calendar days of the University's request, where practicable.

9) **Failure to Provide the Requested Certification and/or Recertification**

For FML taken as Pregnancy Disability Leave, see Section C.4.d. below.

An employee's failure to provide the certification and/or recertification for a foreseeable leave other than Pregnancy Disability Leaves within the requested time may result in delay of the leave until the required certification is received. An employee's failure to provide certification for an unforeseeable leave other than Pregnancy Disability Leave within the requested time period may result in discontinuance of the leave until the required certification is provided. If the employee fails to provide certification or recertification within a reasonable time as requested, FML Leave will be denied.

If the employee fails to provide a complete and sufficient certification and/or re-certification, the employee shall be given fifteen (15) calendar days to perfect the certification and/or recertification. Failure to perfect an incomplete or insufficient certification and/or recertification within the requested time period may result in delay of the leave or discontinuance of the leave until the required certification and/or recertification is provided. If the employee fails to provide a complete and sufficient certification and/or recertification, FML will be denied.

g. **Use of Accrued Paid Leave**

FML Leave is unpaid, except for the use of sick leave, the use of accrued vacation and/or the use of accrued compensatory time off (CTO), as provided in this Article:

- 1) An employee on FML for their own serious health condition:
 - a) shall use accrued sick leave in accordance with the University's disability plan requirements; or
 - b) if not eligible for University disability benefits and not on leave as a result of a work-incurred injury or illness, shall use all accrued sick leave, all accrued vacation time, and all compensatory time prior to taking leave without pay; or

- c) if on leave due to a work-incurred injury or illness, may use accrued sick leave and vacation as provided in Article 45 - Work Incurred Injury or Illness and shall use all accrued vacation time and compensatory time prior to taking leave without pay.
- 2) An employee on FML to care for a family member with a serious health condition or taking FML as Military Caregiver Leave may use sick leave in accordance with Article 36 - Sick Leave, Section B.3., and shall use accrued vacation time and compensatory time prior to taking leave without pay.
- 3) An employee on FML for Pregnancy Disability Leave shall use accrued sick leave in accordance with the University's Disability Plan. If sick leave is exhausted, the employee may elect to use accrued vacation and/or accrued compensatory time prior to taking leave without pay.
- 4) An employee taking FML as Parental Leave may elect to use accrued vacation leave, accrued compensatory time or PTO (where applicable) and /or up to thirty (30) days of accrued sick leave in accordance with Article 36 – Sick Leave, Section B.6., prior to taking leave without pay.
- 5) An employee taking FML as Qualifying Exigency Leave shall use accrued vacation time and accrued compensatory time prior to taking leave without pay.

h. Continuation of Health Benefits

An eligible employee who is on an approved FML shall be entitled to continue participation in health plan coverage (medical, dental, and vision) as follows:

- 1) When the employee is on FML that runs concurrently under the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA): Continued coverage for up to twelve (12) workweeks in a calendar year.
- 2) When the employee is on a Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single twelve month period. For purposes of Military Caregiver Leave, the "single twelve month period" is the period beginning on the first day the employee takes the leave and ending twelve (12) months after that date.

- 3) When the employee is on a Qualifying Exigency Leave under the FMLA: Continued coverage for up to twelve (12) workweeks in a calendar year.
- 4) When the employee is on a Pregnancy Disability Leave under the California Pregnancy Disability Leave Law, regardless of whether any of the leave runs concurrently with the FMLA: Continued coverage for up to four (4) months in a twelve month period. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage provided for that portion of the leave will count towards the employee's FMLA entitlement to up to twelve (12) workweeks of such coverage in a calendar year.
- 5) When the employee is on FML under the CFRA that does not run concurrently under the FMLA (e.g., Parental Leave after an employee's FMLA entitlement has been exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.

i. **Return from FML**

1) **Required Notice and Documentation**

- a) The employee shall provide reasonable notice to their employing department of their anticipated return to work.
- b) An employee returning from FML for their own serious health condition must provide a written medical release to return to work prior to returning to work. For returns after Pregnancy Disability Leave, see Section C.4.e. below.
- c) The employee who has been medically released to perform the essential assigned functions of their job, shall be reinstated in accordance with the provisions of Section B.1.i.(2). below.
- d) Failure to provide a medical release to return to work may result in the delay of reinstatement until the employee submits the required medical release certification.

2) **Reinstatement Rights**

When an employee has been granted an approved FML for any purpose other than Pregnancy Disability and returns within twelve (12) workweeks of the initiation of the leave (or within 26 workweeks if the FML was taken for Military Caregiver Leave), they shall be reinstated to the same or an equivalent position upon expiration of the leave. For an employee's return to work rights after Pregnancy Disability Leave, see Section C.5. below. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations which would have been afforded had the employee been working when the position was abolished or affected by layoff. No employee with a predetermined appointment end date or predetermined date of separation shall be granted a leave of absence beyond their appointment end date or the predetermined date of separation. As stated in Section B.1.i.(1)(b), above, an employee who has been granted an FML for their own serious health condition, must provide a written medical release to return to work prior to their return to work.

2. **FML for Employee's Serious Health Condition**

FML for the employee's own serious health condition is leave taken when the employee's own "serious health condition," as defined in Section B.1.a.(4). above, renders the employee unable to perform any one or more of the essential functions of the employee's position.

3. **FML to Care for Employee's Family Member with a Serious Health Condition**

FML to care for a family member with a serious health condition is leave to care for the employee's child, parent, spouse or same or opposite sex domestic partner who has a "serious health condition," as defined in Section B.1.a.(4). above, that warrants the participation of the employee to provide care (including psychological care and comfort) during a period of the family member's treatment or to provide supervision of the family member.

4. **FML as Pregnancy Disability Leave**

When an employee who takes Pregnancy Disability Leave pursuant to Section C. below is eligible for FML, her Pregnancy Disability Leave will be counted against her FML entitlement under the FMLA as well as her Pregnancy Disability Leave entitlement under PDLL.

5. **FML as Parental Leave**

FML taken as Parental Leave is leave taken to bond with the employee's newborn, to bond with a child placed with the employee for adoption or foster care, or to attend to matters related to the birth, adoption, or placement of the child. The following special provisions apply to Parental Leave:

a. **Time Limit for Parental Leave**

Parental leave must be initiated and concluded within one (1) year of the birth or placement of the child with the employee.

b. **Eligibility for Parental Leave**

An employee taking Parental Leave must meet the eligibility requirements for FML set forth in Section B.1.b. above except when the employee is taking Parental Leave immediately following FML taken as Pregnancy Disability Leave; in those circumstances, an employee who was eligible for FML under the FMLA at the beginning of her Pregnancy Disability Leave shall be granted a Parental Leave under CFRA for up to twelve (12) workweeks after her Pregnancy Disability Leave, provided that she has not exhausted her FML entitlement under CFRA for that leave year.

c. **Advance Notice**

The employee shall request Parental Leave sufficiently in advance, if possible, of the expected birth date of the child or placement of a child for adoption or foster care, in order to allow the University to plan for the absence of the employee, but the employee shall not be required to provide more than thirty (30) days advance notice. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with FML taken as Pregnancy Disability Leave, shall be set at the time such Pregnancy Disability Leave commences. Parental Leave, when taken because of the adoption or placement of the child with the employee could commence prior to the date of placement.

d. **Duration of Parental Leave**

Parental Leave, alone, shall not exceed twelve (12) workweeks within a calendar year as defined in Sections B.1.b.(1). and B.1.c. above. However, when FML for Parental Leave is combined with

FML for Pregnancy Disability Leave, the total FML Leave shall not exceed seven (7) months in a calendar year.

e. **Forms in which Parental Leave May Be Taken**

The University shall grant a Parental Leave of less than two (2) weeks duration on any two (2) occasions during a calendar year. The University, at its sole non-grievable discretion, may require that any additional Parental Leave requested during this same time period be for a minimum duration of two (2) weeks, unless otherwise required by law.

6. **FML as Military Caregiver Leave**

An eligible employee may take Military Caregiver Leave to care for a family member who is a “covered servicemember” undergoing medical treatment, recuperation or therapy for a “serious injury or illness,” consistent with the definitions of those terms in Section B.6.b. below.

a. **Eligibility Criteria and Duration Specific to Military Caregiver Leave**

An eligible employee is entitled to up to twenty-six (26) workweeks of Military Caregiver Leave during a single twelve-month (12-month) leave period. The employee must be a spouse, domestic partner, parent, son, daughter or next of kin of the covered servicemember to be eligible for this type of leave and must meet the eligibility requirements for FML set forth in Section B.1.b. above.

b. **Definitions Specific to Military Caregiver Leave**

1) **“Covered servicemember”** means:

- a) a current member of the Armed Forces (including a member of the National Guard or Reserves) who, because of a “serious injury or illness,” is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list or
- b) a covered veteran who is undergoing medical treatment, recuperation, or therapy for a “serious injury or illness.”

- 2) **“Covered veteran”** means an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves) who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes Military Caregiver Leave to care for a covered veteran.
- 3) **“Outpatient status”** means the status of a servicemember assigned to (a) a military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- 4) **“Serious injury or illness”** means
 - a) For a current member of the Armed Forces (including a member of the National Guard or Reserves): an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the covered servicemember’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces, and that may render the covered servicemember medically unfit to perform the duties of her or his office, grade, rank, or rating;
 - b) For a covered veteran: an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran.
- 5) **“Parent of a covered servicemember”** means a covered servicemember’s biological, adoptive, step or foster father or mother or any other individual who stood in loco parentis to the covered servicemember. The term does not include parents “in law.”
- 6) **“Son or daughter of a covered servicemember”** means the covered servicemember’s biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.

- 7) **“Next of kin”** means (a) the nearest blood relative of the covered servicemember (other than the covered servicemember's spouse, domestic partner, parent, son or daughter) or (b) the blood relative who the covered servicemember has designated in writing as her or his nearest blood relative for purposes of Military Caregiver Leave.
- 8) **“Single 12-month leave period”** means the period beginning on the first day the employee takes Military Caregiver Leave and ends twelve (12) months after that date. (This leave period differs from the calendar year definition of the leave year used for determining eligibility for other types of FML at the University.)

c. **Leave Entitlement**

Military Caregiver Leave is applied on a per-covered servicemember, per-injury basis. Eligible employees may take more than one (1) period of twenty-six (26) workweeks of leave if the leave is to care for a different covered servicemember or to care for the same servicemember with a subsequent serious injury or illness, except that no more than twenty-six (26) workweeks of leave may be taken within any “single twelve-month (12-month) period.”

If an eligible employee does not use all of her or his twenty-six (26) workweeks of leave entitlement to care for a covered servicemember during this single twelve-month (12-month) leave period, the remaining part of the twenty-six (26) workweek entitlement to care for the covered servicemember for that serious injury or illness is forfeited.

As with other types of FML, this leave may also be taken on an intermittent or reduced schedule basis. If the need for intermittent or reduced schedule leave is foreseeable based on the planned medical treatment of the covered servicemember, the employee may be required to transfer temporarily, during the period that the intermittent or reduced leave schedule is required, to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position.

7. **FML as Qualifying Exigency Leave**

Qualifying Exigency Leave is an additional type of FML available to eligible employees. If the military member is the spouse, domestic partner, son, daughter or parent of the employee, the employee may take Qualifying Exigency Leave to attend to any “qualifying exigency” while the military member is on “covered activity duty or call to covered active duty status” (or has been notified of an impending call or order to covered active duty).

a. **Definitions Specific to Qualifying Exigency Leave**

- 1) **“Son or daughter on covered active duty or call to covered active duty status”** means the employee’s biological, adopted, or foster child, stepchild, legal ward, or a child for whom the employee stood in loco parentis, who is on covered active duty or call to covered active duty status, and who is of any age.
- 2) **“Covered active duty or call to covered active duty status”** means:
 - a) For purposes of members of the Regular Armed Forces: duty during the deployment of the member with the Armed Forces to a foreign country.
 - b) For purposes of a member of the Armed Forces Reserve: duty during the deployment to a foreign country under a Federal call or order to active duty in support of a contingency operation pursuant to 10 U.S.C. sections 688, 12301(a), 12302, 12304, 12305, or 12406; 10 U.S.C. chapter 15; or any other provision of law during a war or during a national emergency declared by the President or Congress so long as it is in support of a contingency operation.
- 3) **“Qualifying exigency”** is defined as any one of the following, provided that the activity relates to the military member’s covered active duty or call to covered active duty status:
 - a) Short notice deployment to address issues that arise due to the military member being notified of an impending call to active duty seven (7) or fewer calendar days prior to the date of deployment;
 - b) Military events and activities, including official ceremonies;

- c) Childcare and school activities for a child of the military member who is either under age eighteen (18) or incapable of self-care because of a mental or physical disability at the time that Qualifying Exigency Leave is to commence;
- d) Financial and legal arrangements to address the military member's absence or to act as the military member's representative for purposes of obtaining, arranging, or appealing military service benefits while the military member is on covered active duty or call to covered active duty status and for the ninety (90) days after the termination of the military member's covered active duty status;
- e) Counseling (provided by someone other than a health care provider) for the employee, for the military member, or for the child of the military member who is either under age eighteen (18) or incapable of self-care because of a mental or physical disability at the time the Qualifying Exigency Leave is to commence;
- f) Rest and Recuperation (up to fifteen (15) days of leave for each instance) to spend time with the military member who is on short-term, temporary Rest and Recuperation leave during the period of deployment;
- g) Post-deployment activities, including (a) attendance at ceremonies sponsored by the military for a period of ninety (90) days following termination of the military member's covered active duty status and (b) addressing issues that arise from the death of the military member while on covered active duty status;
- h) Arranging for care for the parent of the military member or providing care for the parent on an urgent, immediate need basis (but not on a routine, regular, or everyday basis), where the parent is incapable of self-care and is the biological, adoptive, step, or foster father or mother of the military member, or any other individual who stood in loco parentis to the military member when the military member was under 18 (eighteen) years of age; and

- i) Additional activities related to the military member's covered active duty or call to covered active duty status when the employer and employee agree that such activity qualifies as an exigency and agree to both the timing and duration of the leave.

C. PREGNANCY DISABILITY LEAVE

During the period when an employee is disabled because of pregnancy, childbirth, or related medical condition, she is entitled to and the University shall grant her request for Pregnancy Disability Leave. Pregnancy Disability Leave may also be used for prenatal care.

For an employee disabled by pregnancy, childbirth or related medical condition, no eligibility requirements apply, such as minimum hours worked or length of service. If the employee is eligible for FML under the FMLA, pursuant to Section B.1.b. above, such leave shall be deducted from an employee's FML entitlement under the federal FMLA as well as her entitlement under the PDLL.

Pregnancy Disability Leave may be taken as a block leave or, when medically advisable, on an intermittent or reduced schedule basis. Only the amount of leave time actually taken may be counted against the employee's Pregnancy Disability Leave entitlement.

1. Duration

- a. An employee is entitled to Pregnancy Disability Leave for the period of actual disability up to four (4) months per pregnancy.
- b. If the employee continues to be disabled by pregnancy, childbirth, or related medical condition beyond four (4) months, a medical disability leave of absence may be granted in accordance with Section D. below.
- c. Following Pregnancy Disability Leave, the employee may be eligible for Parental Leave, pursuant to Section B.5. above, to care for her newborn child. The total FML taken for a combination of Pregnancy Disability Leave and Parental Leave shall not exceed seven (7) months in a calendar year.

2. Use of Accrued Paid Leave

Pregnancy Disability Leave may consist of leave with or without pay; however, an employee shall be required to use accrued sick leave in accordance with the University's Disability Plan. If sick leave is exhausted,

the employee may elect to use accrued vacation time prior to taking leave without pay.

3. **Transfer and Other Reasonable Accommodations As Alternatives To Or In Addition To Pregnancy Disability Leave.**

- a. **Transfer at the Request of the Employee.** The University shall temporarily transfer a pregnant employee to a less strenuous or hazardous position upon the request of the employee when such transfer is medically advisable according to the employee's health care provider, if the transfer can be reasonably accommodated. For the purpose of this section, a temporary transfer includes a temporary modification of the employee's own position to make it less strenuous or hazardous. A temporary transfer under this section is considered time worked and shall not be counted toward an employee's entitlement of up to four (4) months of Pregnancy Disability Leave, unless the employee is also taking leave on an intermittent or reduced schedule basis. When the employee's health care provider certifies that the transfer is no longer medically advisable, the University shall return the employee to her same position or a comparable position in accordance with Section C.5. below.
- b. **Transfer to Reasonably Accommodate Employee's Need for Intermittent or Reduced Schedule Leave.** When the employee's health care provider states in a medical certification that it is medically advisable for the employee to take Pregnancy Disability Leave on an intermittent or reduced schedule basis, the University may, at its sole non-grievable discretion, transfer the employee temporarily to an available alternative position that meets the needs of the employee, provided the employee meets the qualifications of the alternative position. When the employee's health care provider certifies that the intermittent or reduced schedule leave is no longer medically advisable, the University shall return the employee to her same position or a comparable position in accordance with Section C.5. below.
- c. **Other Reasonable Accommodations.** If the employee's health care provider certifies that reasonable accommodation(s) other than transfer and/or leave on an intermittent or reduced schedule basis are medically advisable, the University shall engage in the interactive process with the employee to identify and implement the reasonable accommodation(s) that are appropriate under the circumstances.

4. **Certification**

- a. When an employee requests a reasonable accommodation, transfer, or leave due to pregnancy, childbirth, or related medical condition, the University may, at its discretion, require that the employee's request be supported by written medical certification issued by the employee's health care provider.
- b. When a medical certification is requested in connection with the employees' request for reasonable accommodation or transfer, it shall contain the following: (a) a description of the requested accommodation or transfer, (b) a statement describing the medical advisability of the requested reasonable accommodation or transfer, and (c) the date on which the need for reasonable accommodation became or will become medically advisable and the estimated duration of need for the reasonable accommodation or transfer.
- c. When a medical certification is requested in connection with an employee's request for leave, it shall contain the following: (a) a statement that the employee needs to take Pregnancy Disability Leave because she is disabled by pregnancy, childbirth, or a related medical condition, and (b) the date on which the employee became disabled because of pregnancy and the estimated duration of the leave.
- d. Failure to provide certification for reasonable accommodation, transfer, or leave within the requested time period or as soon as reasonably possible under the circumstances may result in delay of the reasonable accommodation, transfer, or leave until the required certification is provided.
- e. The University may, at its discretion, require that an employee returning to work immediately following Pregnancy Disability Leave provide a written medical release prior to returning to work.

5. Reinstatement after Pregnancy Disability Leave

The date of reinstatement after Pregnancy Disability Leave is typically determined by agreement between the University and the employee when the leave is granted. If the actual reinstatement date differs from the original agreement or no agreement was made, the University shall reinstate the employee within two business days or, when two business days is not feasible, as soon as possible after the employee notifies the University of her readiness to return.

An employee who has taken Pregnancy Disability Leave shall be reinstated to the same position, provided that the employee returns to work immediately upon termination of the Pregnancy Disability Leave and provided that the aggregate duration of all leaves granted for a given pregnancy does not exceed four (4) months. If the same job has been abolished or affected by layoff, the employee shall be reinstated to a comparable position if the employee would have been entitled to the comparable position if she had been continuously working rather than on leave. If a comparable position is not available on the employee's scheduled date of reinstatement but a comparable position or positions become available within sixty (60) days thereafter, the University shall notify the employee of the position(s). If the employee is reinstated within that sixty-day (60-day) period, the period between the employee's originally scheduled date of reinstatement and her actual reinstatement shall not be counted for purposes of any employee pay or benefits.

6. Continuation of Health Benefits

A benefits-eligible employee on Pregnancy Disability Leave shall be entitled to continue participation in health plan coverage (medical, dental, and vision) as set forth in Section B.1.h.(4). above, whether or not the Pregnancy Disability Leave also qualifies as FML.

D. DISABILITY LEAVES OTHER THAN PREGNANCY DISABILITY LEAVE

A disability leave of absence is the period(s) for which an eligible career employee is granted leave from work for medical reasons in accordance with Section D.1. below. This leave includes the combined use of accrued sick leave and the disability leave of absence without pay in accordance with the provisions of this Article and Article 36 - Sick Leave. Disability leaves of absence with or without pay are provided for leaves due to non-work related illnesses or injuries.

1. Eligibility

An employee may be eligible for a disability leave of absence with or without pay when they have exhausted their twelve (12) workweek FML entitlement in a calendar year, or they are not otherwise eligible for FML Leave, or the employee has exhausted her four (4) month entitlement to Pregnancy Disability Leave under the Pregnancy Disability Leave Laws, and the employee:

- a. is medically incapable of performing the essential assigned functions of their job due to a non-work related illness or injury, and
- b. has furnished evidence of disability satisfactory to the University.

2. **Duration**

- a. When the use of accrued sick leave and a disability leave of absence without pay are combined, a disability leave may be granted by the University for a total period of verified disability consistent with the University's obligation to reasonably accommodate a disabled employee.
- b. An employee granted a disability leave who is also applying for University disability benefits for non-work related disability purposes shall use all accrued sick leave in accordance with the University's disability plan prior to taking the disability leave without pay.
- c. An employee who is receiving long term disability payments from a retirement system to which the University contributes will be medically separated on the basis of medical condition in accordance with Article 17 – Medical Separation of this Agreement.

3. **Return To Work**

The employee shall not be reinstated from a medically-related leave of absence until a medical release certification is provided to the University within the time limits specified by the department. A medical release certification shall include a statement by the employee's health care provider of the employee's ability to perform the essential functions of the position, with or without reasonable accommodation.

E. **Military Spouse/Domestic Partner Leave**

3. **Substitution of Paid Leave**

This leave is unpaid leave, except that an employee shall use accrued vacation time and compensatory time (CTO) prior to taking leave without pay.

F. **PERSONAL LEAVES OF ABSENCE WITHOUT PAY**

1. A non-probationary career employee may be granted a Personal Leave of Absence without Pay at the sole non-grievable discretion of the University. Such leave shall not exceed six (6) calendar months. Personal Leave without Pay shall not be considered a break in service and shall not determine eligibility for benefits except that the regulations of the retirement systems must be specifically checked to determine the effects of such leave without pay on retirement benefits.

2. Notwithstanding the foregoing, the University at its sole non-grievable discretion may approve extension of a personal leave of absence without pay for a total leave of not normally more than twelve (12) months.

G. LEAVES OF ABSENCE WITH PAY

- b. An employee subpoenaed by the State or a political subdivision thereof when the State or political subdivision is prosecuting a person for an offense that the employee, by virtue of being on University premises during scheduled work hours, witnessed shall be granted leave without loss of straight time pay for actual time spent in the proceedings and in related travel time not to exceed the employee's normal work day and workweek.
- c. The granting of leave without loss of straight time pay status for other employment-related situations where an employee has been subpoenaed shall be at the sole non-grievable, non-arbitrable discretion of the University.

5. **Emergencies**

The granting of such leave and the period of time shall be at the sole, non-grievable discretion of the University.

6. **University Functions**

At the sole, non-grievable discretion of the University and on a campus by campus or within a campus basis, an employee may be granted leave during regularly scheduled hours of work to attend Commencement exercises, Charter Day exercises and other University meetings or functions as designated by the University. 5. **Misuse of Leave**

- a. Misrepresenting reasons for requesting time off, including but not limited to misrepresentations that could lead to concerns of conflict of interest and/or fraud, may result in disciplinary action, suspension without pay, and/or termination from employment.
- b. Employees on an approved leave of absence for which a medical certification is required may jeopardize their right to leave benefits and or their continued employment by engaging in activities incompatible with the medical certification submitted in support of the leave.

Records of parking violations and any related parking sanctions that may be imposed shall not be included in the employee's personnel file. However, copies of disciplinary actions for violations of this policy that rise to the level of misconduct will be placed in the employee's personnel file as in the case of any other disciplinary action.

5. The performance of each employee will be evaluated at least annually, in accordance with a process established by the University. In the event a non-probationary career employee does not receive the written evaluation, the employee may take the following action:

When the University receives such written comments or materials from the employee, they shall be attached to the performance evaluation and placed in the employee's personnel file in which performance evaluations are maintained.

C. GRIEVABILITY

1. A non-probationary career employee who receives a written performance evaluation with an overall rating of less than satisfactory may file a grievance pursuant to the provisions of Article 8 - Grievance Procedure of this Agreement. Such grievance concerning the contents of the performance evaluation rating the employee as less than satisfactory shall be eligible to be processed through Steps 1 and 2 of the Grievance Procedure but shall not be eligible for review at Step 3 of the Grievance Procedure. The remedy for such a grievance shall be limited to revision of the section(s) being grieved and revision of the rating(s) in question.

ARTICLE 27 POSITIONS

A. CAREER POSITIONS

1. Career positions are positions established at a fixed or variable percentage of time at fifty percent (50%) or more of full-time, which are expected to continue for one (1) year or longer.
2. In addition, beginning on January 1, 2001 a career appointment may be established by conversion from a limited appointment pursuant to Section B.2. of this Article.

B. LIMITED APPOINTMENTS

1. A limited appointment is established at any percentage of time, fixed or variable, during which the appointee is expected to be on pay status for less than one thousand (1,000) hours in a rolling twelve (12)-month period.
2. In the event that a limited appointment employee attains one thousand (1,000) hours of qualifying service within a rolling 12-month period, without a break in service of at least one-hundred twenty (120) consecutive calendar days, the incumbent's appointment shall convert to career. The University shall notify the employee of conversion.
 - a. Qualifying service includes all time on pay status in one or more limited appointments at the campus/hospital/laboratory. Pay status shall not include on-call or overtime hours.
 - b. Such career conversion shall be effective on the first day of the month following attainment of one-thousand (1000) hours of qualifying service.
 - c. Any break in service of one-hundred twenty (120) days or longer shall result in a new 12-month period for purposes of calculating the 1000-hour requirement.
3. Employees in limited appointments may have their appointment terminated or have their time reduced at the sole discretion of the University and without recourse to the grievance and arbitration procedures of this Agreement. An employee who is appointed to a limited appointment is automatically terminated as of the last day of the appointment unless there is an earlier separation or a formal extension of the appointment.

C. PARTIAL-YEAR POSITIONS

1. General Provisions

Partial-year positions are career positions established with regularly scheduled periods during which the incumbents remain employees but are not at work. These scheduled periods during which employees are not at work are designated as furloughs and are without pay. Furlough periods are not to exceed a total of

three (3) months in each calendar year. Partial-year career positions may be established as nine-, ten- or eleven-month appointments.

- a. When calculating time in pay status during a calendar year the University shall include any period of time for which an employee receives pay for time worked, including compensatory time off, or for time on paid leave. Paid leave time includes sick leave, extended sick leave, vacations, holidays, or military leave with pay. The one-month's pay for extended military leave lump-sum payments for terminal vacation do not represent time on pay status.
- b. Whenever it appears that an employee will be unable to achieve nine (9) months on pay status in a calendar year, the University may assign the employee to perform additional work according to classification and skills in an attempt to achieve nine (9) months on pay status. Once an employee has reached her/his appointment rate, additional scheduling will occur in accordance with the needs of the University and the qualifications of the employees.

2. Distribution of Salary over the Year

Employees with partial-year career appointments may choose either to receive paychecks during pay periods worked only, or to distribute their pay so that they will receive twelve (12), or the biweekly equivalent, paychecks throughout the year. Employees who occupy partial-year career positions and who elect the pay over twelve (12) months option must occupy the partial-year career position at least nine (9) months or the biweekly equivalent before receiving pay during the furlough period.

3. Benefits

- a. An employee in a designated partial-year career position shall be provided the University's contribution to the cost of University-sponsored life, medical, vision, dental, and disability while s/he is on furlough for a maximum of three (3) months in a calendar year where the employee's earnings are insufficient to otherwise generate the University's contribution. For medical plans, which require an employee contribution, employees on furlough must remit to the University the amount of the employee's contributions for the plan to remain in force.
- b. Time on furlough is not qualifying time for service computation for seniority or for vacation leave, sick leave, or holiday pay when furloughed absences exceed twenty (20) days in a month.

4. Reassignment

The reassignment of an employee in a full-time career position to a partial-year position or to a part-time position at a fixed or variable percentage of time shall be considered a reduction in time and must be carried out in accordance with the provisions of Article 13, Layoff and Reduction in Time.

- b. In the event a Per Diem employee rescinds her/his fifty percent (50%) work commitment, or fails to work fifty percent (50%) time or one-thousand (1000) (seven hundred-fifty (750) hours for Student Health Center Per Diem employees) hours as scheduled within a twelve (12) month period, s/he waives her/his right to Articles 3 – Arbitration Procedure, 6 – Corrective Action, Discipline and Discharge, and 8 – Grievance Procedure.

If no alternate work is available, the Per Diem Employee shall be paid two (2) hours pay in lieu of work. Further evaluations conducted during per diem status, or other information obtained by University management, may serve in lieu of the three (3) month probationary period evaluation.

E. REHIRED RETIREES

Rehired Retirees working in positions covered by this unit will be eligible to elect to waive future retirement accruals to the same extent that other rehired retirees in staff positions are eligible.

F. LAWRENCE BERKELEY NATIONAL LABORATORY

ARTICLE 28 PROBATIONARY PERIOD

A. GENERAL CONDITIONS

1. Employees in career appointments in the unit shall serve a probationary period during which time their work performance and general suitability for University employment will be evaluated. The probationary period is completed following six (6) months of continuous service at one-half ($\frac{1}{2}$) time or more without a break in service. Time on leave with or without pay is not qualifying service for the completion of the probationary period.
2. Employees who are rehired following a break in service of one year or less shall not be required to serve a new probationary period, provided:
 - a. Rehire occurs in the same class and specialty within the same department, and
 - b. The rehired employee had regular status in that class at the time of termination.

Otherwise, rehired employees serve a probationary period.

B. CREDIT FOR TIME SERVED IN LIMITED APPOINTMENTS

1. An employee whose appointment is converted from a limited appointment to a career appointment under the provisions of Article 27 Section B.2., who has worked in the same appointment into which s/he is directly converted to career status, will have such time in that appointment applied against the probationary period. For the purposes of this provision, "same appointment" means an appointment in the same department/unit with the same duties as the appointment to which the individual was assigned prior to conversion and reports to the same supervisor as s/he did in a limited appointment.
2. A non-career employee in a limited appointment who has at least six (6) months of continuous service at 50% time or more in a non-career appointment and who is appointed or is converted in accordance with Article 27 – Positions/Appointments, Section B.2. to a career position with substantially similar job duties shall have three (3) months service credit toward completion of her/his probationary period in the new career position.

C. EVALUATION DURING PROBATIONARY PERIOD

The University shall conduct one written performance evaluation prior to the completion of a full probationary period.

D. EXTENSION OF THE PROBATIONARY PERIOD

Under appropriate circumstances, e.g., change of supervision or transfer to a different job during the probationary period, the probationary period may be extended at the

discretion of the department head. Such an extension shall be for a specific period of time, but not for more than three (3) months.

E. RELEASE DURING PROBATIONARY PERIOD

Prior to the completion of the probationary period, an employee may be released at the sole discretion of the University and without recourse to the grievance and arbitration procedures of this Agreement.

C. EQUIPMENT TRAINING

1. In the event that the University introduces new equipment at any teaching campus/hospital/laboratory which materially affects work performed by an HX Unit employee subject to this Agreement, the University shall provide adequate training on new equipment and/or methods of practice. Such training shall not be deducted from the forty (40) hour annual maximum in Section B.3 of this article.
2. In the event the University introduces new equipment at any teaching campus/hospital/laboratory that is not required for an individual's immediate position, the University may offer cross-training within a department/sub-unit on the new equipment to employees who have made a request to their supervisor. This provision is only grievable through Step 2 of the grievance process.

**ARTICLE 30
REASONABLE ACCOMMODATION**

A. GENERAL PROVISIONS

The University provides reasonable accommodation to otherwise qualified employees who are disabled or who become disabled and need assistance to perform the essential functions of their positions, as required by federal and state law. The interactive process shall be used to determine what, if any, reasonable accommodation will be made. Reasonable accommodations shall be provided in the following, non-exclusive, scenarios:

1. When an employee with a disability needs an accommodation to enable him or her to perform the essential functions of the position;
2. When an employee with a disability needs an accommodation to enable him or her to gain access to his or her workstation; and
3. When an employee with a disability needs an accommodation to enjoy equal benefits and privileges of employment.

B. THE INTERACTIVE PROCESS

1. Upon receipt of an employee's request for an accommodation, the parties will engage in the interactive process, which is an ongoing dialogue between the employee and appropriate representatives of the University about possible options for reasonably accommodating the employee's disability. Options may include, but are not limited to: assistive devices; modification of existing facilities; and restructuring the job. Both the University and the employee are expected to participate in the interactive process, so as to ensure timely, good faith communications and a reasonable accommodation, if any, for the employee with a disability. The employee may have his or her representative participate in this dialogue.

During the interactive process the University considers information related to: the essential functions of the job; functional limitations; possible accommodations; the reasonableness of possible accommodations; and implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made.

2.
 - a. The University will process requests for reasonable accommodation and provide accommodations where reasonable and appropriate and in as short a time frame as reasonably possible. The parties recognize, however, that the time necessary to process a request will depend on the nature of the accommodation requested and whether it is necessary to obtain supporting information.
 - b. Should an employee wish to receive an update as to the status of his/her request, he/she may contact the assigned University representative. The University representative will respond to the employee's request for updated information in a timely manner.

C. MEDICAL DOCUMENTATION

The employee is responsible for providing medical documentation from a licensed health care provider, specifying the employee's functional limitations as they pertain to the job and without providing diagnostic information. This documentation may also include the licensed health care provider's suggestions about potential accommodations. When necessary, the University may require that the employee be examined by a University appointed licensed health care provider. In such a case, the University shall pay the costs of any medical examinations requested or required by the University.

The University will maintain the confidentiality of all medical information pursuant to applicable state and federal laws.

D. NON-RETALIATION

No employee may be retaliated against because of a previous or pending request for a reasonable accommodation, whether or not the accommodation was or will be provided.

E. SPECIAL SELECTION FOR OTHER POSITIONS

An employee who becomes disabled may be selected for a position without the requirement that the position be publicized.

F. REASSIGNMENT

When other accommodations are not effective in allowing the employee to perform the essential functions of his or her position reassignment to an active, vacant position for which the employee is qualified with or without accommodations, may be required. The employee with the disability will have a choice to accept or reject the reassignment. The University will attempt to accommodate the employee's request by reassigning him or her to a position within his or her same department.

G. DENIAL OF REASONABLE ACCOMMODATION

If the University determines that it cannot reasonably accommodate an employee, it must give the reason(s) for its decision in writing to the employee who requested the accommodation within five (5) days of denying the request.

**ARTICLE 31
RECLASSIFICATION REVIEW**

- A.** An employee may request a review of the classification of their position. The review shall be based on the employee's job description, as approved by their supervisor. Requests for reclassification shall be processed by the University office responsible for reclassification review.
- B.** If the employee makes the request for review of a classification and the supervisor fails to respond within 30 calendar days, the employee may forward the request to the designated University office responsible for classification review.
- C.** The salary adjustment, resulting from a reclassification, if any, shall be retroactive to the first day of the month following the date on which the request to the designated University office was received.
- D.** The University's decision to reclassify or not to reclassify is not subject to either the grievance or arbitration procedures.
- E.** An employee may request a review of a decision denying a reclassification. The request for a review shall be made in writing to the Human Resources Office within 30 calendar days of the date on which the reclassification decision was issued. The request shall state the basis upon which the employee is requesting a review. The result of the review shall be issued in writing by a representative of the Human Resources Office. The representative who issues the second decision may not be the same individual who performed the initial review.

ARTICLE 32
RELEASE TIME FOR BARGAINING

- A.** UPTE shall designate as a bargaining team member not more than one (1) active status University HX-Unit employee per medical center, (for a total of five (5)) and one from a campus student health center, for a total of six (6) bargaining team members from the HX Unit. UPTE shall provide in writing the names of the designated permanent members of its bargaining team to the Office of Labor Relations at least thirty (30) calendar days prior to the first scheduled bargaining session. In the event any designated member is to be permanently replaced, the name of the permanent replacement shall be communicated in writing to the Office of Labor Relations. The Office of Labor Relations shall acknowledge in writing the newly designated permanent replacement, and inform the appropriate work location. Such notification of a permanent replacement shall be made to the Office of Labor Relations two (2) workweeks prior to the first scheduled bargaining session to be attended by the replacement employee. Designated team members who are members of the bargaining unit may be released from their work assignments without loss of straight-time pay to attend scheduled bargaining sessions. Alternates or substitutes for any of the designated team members may be permitted when UPTE has provided the University with the name and work location of the replacement at least two (2) weeks in advance of the date of the change, unless the parties agree to a shorter notice period.
- B.** No more than a total of six HX-Unit employees shall be in without-loss-of-straight-time pay and benefits status for attendance at scheduled bargaining sessions for the unit, including reasonable travel time to attend bargaining sessions. Without-loss-of-straight-time-pay status shall be provided only for bargaining sessions, and only for the days which the member would have been scheduled to work had the member not been released from his/her work assignments to attend scheduled bargaining sessions. The hours for which any of the designated union bargaining team members are in without-loss-of-straight-time-pay status shall not exceed the bargaining team member's actual scheduled work hours for any one day of a scheduled bargaining session and shall not exceed forty (40) hours per week. Time in without-loss-of-straight-time status for the purpose of bargaining shall not count in the calculation of overtime, and will not result in any double payment for the hours in such status. Deviation from this paragraph may be made only by mutual agreement of the parties on a case-by-case basis.
- C.** Bargaining sessions are defined as the pre-scheduled face-to-face meetings, and related caucuses during meeting days, for the purpose of negotiating terms and conditions of an Agreement. If no meeting actually takes place during the scheduled meeting day as the result of the University's unavailability to appear at the bargaining table, or the University agrees that a full-day union bargaining team caucus is necessary to the bargaining process, the University may designate a day without a face-to-face meeting as a "bargaining session".
- D. PRE-BARGAINING RELEASE TIME FOR PREPARATION – SUCCESSOR NEGOTIATIONS**
- UPTE may request up to three (3) days of paid release time and two (2) days of unpaid release time for up to six (6) HX-unit employees (no more than one (1) per campus/medical center or campus student health center) for purposes of preparation for successor bargaining.

The three (3) days of paid release time referenced above are contingent upon the University receiving a complete set of proposals on the first day of bargaining, as distinguished from the initial set of proposals accompanying UPTE's notice to the University of its intent to negotiate a successor agreement. If the Union fails to present a complete set of individual proposals on the first day of bargaining for each proposed open article, the three (3) days of paid release time will convert to unpaid release time.

- E.** An employee designated as an HX-Unit bargaining team member shall provide his/her supervisor with written notice of their intent to attend scheduled bargaining sessions as soon as practicable following the scheduling of bargaining sessions. A bargaining team representative may be denied release time for bargaining, either in paid or unpaid status, if his/her supervisor is not provided at least fourteen (14) calendar days prior notice of his/her need for release time, unless the parties agree to a shorter notice period.
- F.** UPTE shall provide an attendance roster at the end of each bargaining session.
- G.** Reasonable travel time means actual travel, via the most expeditious method of transportation available, to and from scheduled bargaining sessions for the designated employees.
- H.** Attendance by a bargaining team member at scheduled bargaining sessions shall constitute fulfillment of the employee's work obligation for that day.
- I.** The University shall make a good faith effort to modify a bargaining team member's work schedule in order to accommodate his/her participation in bargaining sessions. This good faith effort includes making an effort to prevent a bargaining team member, who regularly works other than a Monday – Friday schedule, from being scheduled to work and bargain more than his/her standard number of days per week.

**ARTICLE 33
RESIGNATION/JOB ABANDONMENT**

A. RESIGNATION

1. Employees who voluntarily separate from employment with the University, other than retirement, are considered to have resigned their employment with the University.
2. Upon the employee's submission of a written notice of resignation there shall be no withdrawal or rescinding of the resignation except by the written mutual agreement of the University and the employee.
3. In the event an employee provides an oral notice of resignation, s/he may rescind such notice within two (2) scheduled work days following the oral notice. If such oral notice is not rescinded within the two (2) work-day limit, there shall be no withdrawal or rescission of her/his resignation except by the written mutual agreement of the University and the employee.
4. Final Paycheck
 - a. With the exception of retirement, the final paycheck (including earnings to date, overtime, compensatory time and vacation hours) shall be paid to the employee in a timely manner, normally, within seventy-two (72) hours. If the employee gave seventy-two (72) hours or more notice, the final paycheck will be provided on the last day of work. Retirement compensation shall be provided pursuant to retirement plan regulations.
 - b. When an employee does not give seventy-two (72) hours notice of intention to resign, the University shall make the final paycheck available within seventy-two (72) hours. Upon the employee's request, the final paycheck may be mailed to an address designated by the employee. Otherwise, it will be mailed to the employee's last known mailing address on file. If the date of pay falls on a Saturday, Sunday, or weekday holiday, actual payment may be on the next business day. Monday through Friday will be considered business days at all locations including Medical Centers and other 24-hour/7-day operations.

B. JOB ABANDONMENT

Failure to report to work as scheduled for five (5) consecutive work days may be treated by the University as abandonment of, and resignation from, the employee's University position.

1. In the case of job abandonment/resignation, the University shall provide the employee with written notification of its intent to separate her/him. This notification shall include the reasons for the separation, the employee's right to respond to the University within fourteen (14) calendar days, and a Proof of Service. The notification shall be sent to the employee's last known mailing address.

2. The employee shall have fourteen (14) calendar days from the mailing of such notice to respond to the University prior to her/his separation. The response may, at the option of the employee, be in writing or may be a meeting with a designated University official. The official must have the authority to effectively recommend reinstatement of the employee.
 3. Following the employee's timely response or failure to respond within fourteen (14) calendar days the University official shall issue a final decision.
 4. The University's final decision is not subject to the grievance and/or arbitration provisions of this agreement.
- C.** The University shall notify the employee in writing at the employee's last known mailing address of all actions taken under the provisions of the Article.

**ARTICLE 34
SEVERABILITY**

If any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction, such provision shall be of no force or effect; but the remainder of this Agreement shall continue in full force and effect. The parties shall meet and confer in good faith with respect to any provision found to be in contravention of the law in order to agree on a substitute provision.

**ARTICLE 35
SHIFT DIFFERENTIAL**

A. GENERAL PROVISIONS

Eligible employees assigned to an evening or night shift shall be paid a shift differential for all hours including overtime which are worked, in accordance with the following provisions. Shift differential rates by location are listed in Appendix A. Work that is scheduled during the evening or night hours on the basis of convenience to the employee shall not be considered an assigned evening or night shift for the purpose of receiving shift differential.

Exempt employees, while generally not eligible for shift differential payments, may be eligible for payments as identified in Appendix A.

B. EVENING AND NIGHT SHIFTS

An evening or night shift differential shall be paid for all hours of a shift when four hours or more of a shift are worked after 5:00 p.m. and before 8:00 a.m.

C. DAY SHIFT EMPLOYEE ELIGIBILITY FOR SHIFT DIFFERENTIALS

An employee regularly assigned to a day shift of eight hours or longer shall be paid a shift differential for overtime hours when:

1. The overtime hours are worked after 5:00 p.m. and before 8:00 a.m.,
2. The total overtime hours in one 24-hour day are equal to at least one-half (1/2) of the number of regular hours in the employee's day shift, and
3. The overtime is not compensated at a premium rate.

D. TEMPORARY ASSIGNMENT TO SHIFT WITHOUT A DIFFERENTIAL

When an employee who usually works on an evening or night shift is temporarily assigned to a day shift for a period of four working days or less, the employee shall continue to receive any shift differential. A temporary change of four working days or less in shift assignment initiated by the employee is not covered by this provision.

E. SHIFT DIFFERENTIAL WHEN ON PAID LEAVE

The shift differential shall be included in payments for all types of paid leave, provided that the employee would have been expected to work that shift or shifts if the employee were not on paid leave.

F. SHIFT ASSIGNMENTS TO TITLES WITHOUT ESTABLISHED SHIFT DIFFERENTIAL RATES

Prior to assigning a shift differential rate to a classification that does not have an established rate, the University and UPTE must negotiate the shift differential rate to be assigned to that classification.

G. LAWRENCE BERKELEY NATIONAL LABORATORY

Policies, procedures, definitions, qualifications, covered hours and rates in effect at PERB's certification of UPTC-CWA Local 9119, on September 15, 1997, shall remain in effect for employees at the Lawrence Berkeley National Laboratory and shall supersede the provisions of this article where in conflict.

2. For a campus/hospital/laboratory retaining the Table Accrual System, an eligible employee shall earn sick leave credit at the rate of eight (8) hours per month for full-time employment. Sick leave credit is earned proportionately, as set forth in the Sick Leave Credit Table below, for hours on pay status over one-half (1/2) of the full-time working hours of the month but less than full-time.
3. Until a campus implements the Factor Accrual System, current accrual practices will remain in place.

4. An employee must be on pay status for at least one-half (1/2) of the working hours of a month or quadri-weekly cycle to earn sick leave credit for that month or quadri-weekly cycle. Time on pay status in excess of a full-time work schedule does not earn sick leave credit. Sick leave is earned during leave with pay. For the purposes of this Agreement, a quadri-weekly cycle is defined as two bi-weekly pay periods designated by the University to be considered as one unit for the purpose of leave accrual.
5. For employees on either system, earned sick leave for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate sick leave credit for an eligible

employee who is separating from employment shall be credited at the completion of the last day on pay status.

6. The number of sick leave hours that may be accumulated is unlimited.

B. ELIGIBILITY AND USE OF ACCUMULATED SICK LEAVE

1. General Provisions

- a. Requests for the use of sick leave shall be made in accordance with campus or departmental procedures.
- b. Sick leave is to be used for medical appointments with advance approval, personal illness or personal disability; and for the death or serious illness of others as provided in Section B.3. and Section B.4., below. In the case of medical appointments, a request for sick leave shall not be unreasonably denied.
- c. Sick leave shall not be used prior to the time it is credited. Sick leave shall not be used in excess of the employee's normally scheduled hours or work for the day or days for which the sick leave is claimed. Sick leave shall not be used beyond a predetermined date of separation, including retirement or layoff, or beyond a predetermined date beginning a leave of absence without pay.
- d. Exempt Employees – Except as provided in Article 14, Leaves of Absence, records of sick leave used shall be recorded in one (1) day increments only or in increments of not less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work. When an exempt employee has exhausted all accrued sick leave, salary shall not be reduced for absences of less than one (1) full day or less than that portion of a day during which an employee on less than full-time pay status is normally scheduled to work.
- e. Non-Exempt Employees – Records of accrued sick leave usage shall be maintained to the nearest quarter (1/4) hour.

2. Pregnancy

A pregnant employee on approved leave without pay on the date certified by her doctor as the date on which she is no longer able to work or the date of delivery, whichever is earlier, can use sick leave beginning with that day and continuing through the period that she is physically unable to perform the normal duties of her job.

3. Care of Others

Up to thirty (30) days of accumulated sick leave per year may be used when the employee is required to be in attendance or to provide care of either:

- a. The serious illness of the employee's parent, spouse, same or opposite sex domestic partner, child(ren), brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, or step-relatives; or any other person for whom the employee has a personal obligation who is residing in the employee's household; or
- b. The employee's spouse, parent(s) or child(ren), suffering from a "serious health condition" as defined in Article 14, Leaves of Absence, Section B.1.d.
- c. Sick leave granted under this section may be used to offset unpaid Family Care and Medical Leave granted pursuant to Article 14, Leaves of Absence.

4. Bereavement

Sick leave for bereavement purposes may be used as follows:

- a. Up to five (5) days of accumulated sick leave per year may be used when attendance is required due to the death of the employee's parent, spouse, same or opposite sex domestic partner, children, brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or step-relatives; or any other person for whom the employee has a personal obligation who is residing in the employee's household.
- b. In the event an employee has a personal obligation for a person other than someone listed above in Section B.4.a., the employee shall be permitted to use up to five (5) days of accrued sick leave per calendar year for funeral attendance/bereavement, subject to management approval.

5. Illness While On Vacation

If, while on vacation, an employee becomes ill and is under the care of a physician and submits a physician's statement, the employee may use accumulated sick leave for that personal illness. Sick leave may not be used for illness of a family member during the employees' vacation.

C. SICK LEAVE PAY

Sick leave is paid at the employee's straight-time rate of pay including any shift differential, provided that the employee would have been expected to work that shift or shifts if not on sick leave.

D. SICK LEAVE NOTIFICATION AND VERIFICATION

1. No sick leave pay shall be payable to an employee unless the employee's immediate supervisor or designee is notified of the illness/disability and the probable duration thereof as soon as possible, but in no event later than the beginning of the employee's work day except when the University determines

that the employee's failure to notify is due to extreme circumstances beyond the control of the employee. No time for which the employee has requested and/or received sick leave authorization may be charged to accumulated/anticipated compensatory time, leave with pay, vacation, or holiday time, except as provided in Article 14, Leaves of Absence.

2. Any employee who anticipates a series of three (3) or more medical appointments which will require a repeated use of sick leave, or who knows in advance the date and/or time of scheduled appointments, shall inform his/her immediate supervisor of the anticipated or known schedule of treatment.
3. The University may require reasonable documentation of an employee's sick leave absence when an absence exceeds three (3) consecutive scheduled days of work, or for shorter periods when:
 - a. Notice has been provided to the employee prior to his/her return to work, that documentation will be required, or
 - b. The employee has been given advance written notice that documentation will be required.
4. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday or vacation may be required to bring a medical verification of illness to the employee's supervisor on the employee's return to work in order for the absence to be authorized.
5. When the University requires medical documentation, it shall be from a health practitioner licensed by the state in which he/she practices to diagnose and certify illness or disability or from an authorized representative of a recognized treatment program.
6. The University may have an employee who is claiming disability examined by a physician or physicians of its choosing, in accordance with Article 14, Leaves of Absence. The University shall pay the reasonable costs of any such medical examination and may send the employee to a physician of its choosing.
7. An employee may be denied the ability to use his/her accrued sick leave when the employee is absent due to illness when the University has determined that his/her repeated use of sick leave is abusive, and has given to the employee prior written notice that accrued sick leave use may be denied on future instances of illness.

E. TRANSFER AND REINSTATEMENT OF SICK LEAVE

1. Transfer/Promotion/Demotion To Positions Covered By This Agreement
 - a. An employee transferred, promoted, or demoted without a break in service to a position that does accumulate sick leave shall have any accumulated sick leave transferred.

- b. An employee transferred, promoted, or demoted to a position that does not accumulate sick leave shall have his/her accumulated sick leave held in abeyance. If the employee subsequently moves without a break in service to a position that does accumulate sick leave, the previously accumulated sick leave shall be restored.
 - c. An employee who has been laid off and is recalled or preferentially rehired within the employee's period of recall or preferential rehire eligibility shall have all sick leave accumulated from prior service reinstated.
2. Reemployment in Positions Covered By This Agreement

 - b. An employee re-employed in this bargaining unit after a break in service of more than fifteen (15) calendar days but less than six (6) months shall have sick leave accumulated from prior service up to a maximum of eighty (80) hours reinstated. For purposes of this Section E.2. only, "sick leave accumulated from prior service" includes sick leave accumulated in State of California service.
3. Transfer/Promotion/Demotion to Positions Not Covered By This Agreement
- a. An employee who is transferred, promoted, or demoted into a position not covered by this Agreement shall have the accumulation, use, and transfer of sick leave governed by the policies and/or contract covering employees in that unit or personnel program.
 - b. This Article shall apply to employees with split/multiple appointments in accordance with the provisions of Article 20, Multiple Appointments.

**ARTICLE 37
SUBCONTRACTING**

A. GENERAL PROVISIONS

1. The University retains the right to subcontract all or any portion of operations. When the University decides to subcontract, and such subcontract will result in the layoff of employees in the bargaining unit, the University will provide UPTE with a copy of the Request for Proposals (RFP) seven (7) calendar days after it is issued. In the event no RFP is issued and the subcontract will result in bargaining unit employee layoffs, the University will give at least sixty (60) calendar days notice prior to the commencement of work by the contractor.
2. Prior to the commencement of the work that has been subcontracted and following receipt of a timely request from UPTE, the University shall meet with UPTE to discuss the effects of subcontracting upon bargaining unit employees who may be laid off. Failure to conclude such discussions, if any, prior to the date on which the subcontracted work begins, shall not preclude the University from implementing the subcontracting on the date agreed upon by the University and the subcontractor or the layoff of employees pursuant to Article 13 - Layoff and Reduction in Time.

B. DISPLACEMENT OF EMPLOYEES

1. Except as provided below, the University of California will not contract out services that result in the layoff of non-probationary career bargaining unit employees.
2. Examples of instances in which a contract for such services may be appropriate include:
 - a. The need to obtain special services and equipment that are not available internally;
 - b. The need to obtain special expertise or efficiencies that are better provided through an outside contractor than by the University; and
 - c. Financial necessity.
3. Where financial necessity is the reason for the exception, before contracting for work which is fully or partially supported from state funds, including those at the teaching hospitals, the University shall first seek funding from the Legislature to address the financial necessity.
4. When the University has determined to contract for services, it will provide UPTE with a copy of any RFP within 7 calendar days after it is issued pursuant to A.2., above. Such notice shall demonstrate the appropriateness for the contract, in accordance with section B., above.
 - a. If UPTE asks to meet with the University about the proposed contract for services, such a meeting will occur as soon as practicable following the

University's receipt of the request. The meeting will not delay the commencement of the contract.

- b. If UPTe believes that the University failed to comply with the provisions of Section B., above, it can file a formal complaint with the Office of the President, Office of Labor Relations. The office of the President shall make the final determination as to whether the contract meets the conditions in Section B. The Office of the President decision is not grievable or arbitrable.

C. EFFECT OF CONTRACT ON EMPLOYEES

To minimize the effects of layoff, when a non-probationary career bargaining unit employee is notified of layoff because the University entered into a contract for services that the employee performed, the University will make available another bargaining unit position for which the employee is qualified. The position will be at the same campus/hospital/laboratory from which the employee was laid off. Where the provisions in this article are inconsistent with the provisions of Article 13 - Layoff and Reduction in Time, the provisions of this Article and Section shall control.

1. The available position shall be offered at the same duration, percent time, and appointment type held by the employee when displaced.
2. The available position shall be offered at the same base rate of pay earned by the employee when displaced.
3. The right to be offered a position pursuant to this section shall begin on the date an employee is notified of layoff (displacement).
4. The right of the displaced non-probationary career employee to be offered a position pursuant to his section shall terminate upon acceptance or refusal of the offered position at the same base rate of pay.
5. A displaced non-probationary career employee who refuses an offered position at the same base rate of pay shall be placed in layoff status.

- D. Nothing in this article shall be interpreted as prohibiting action, which must be taken to establish or maintain eligibility for any federal program, contract or grant – including the contract requirements contained in the agreement between the University and the Department of Energy – where ineligibility would result in a loss of federal funds to the University of California.

**ARTICLE 38
TRAVEL REIMBURSEMENT**

B. REIMBURSEMENTS

3. Reimbursement rates reflect the maximum daily reimbursement provided for specific subsistence expenses, including meals. Only actual reasonable expenses may be reimbursed, including but not limited to mileage, transportation, toll fees, and parking fees.
4. When subsistence expense(s) are paid directly by the University, the employee's per diem reimbursement eligibility will be reduced accordingly.
5. University-approved out-of-state lodging expenses will be reimbursed based on the expenses actually incurred as supported by receipts, provided the University gave prior approval for or requires actual-expense reimbursements.

C. LAWRENCE BERKELEY NATIONAL LABORATORY

Policies, procedures, definitions, qualifications, calculations, covered hours and rates relative to per diem rates at the Laboratory shall be applied, changed, or implemented for employees covered by this Agreement in the same manner as for other staff employees at the Laboratory.

In such case(s), the University agrees to meet and confer with respect to the proposed change.

- c. When any one of the exceptions outlined in §A.1.b. above are met, the University agrees to meet and confer with respect to the proposed change(s) only, provided UPTE serves upon the Office of the President, director of Labor Relations, written notice of its intent to negotiate over the identified exception(s) in §A.1.b. within thirty (30) calendar days from the date on which the University issued its written notice of the proposed change(s).

B. EFFECT OF ABSENCES FROM WORK ON BENEFITS

**ARTICLE 43
WAIVER**

- A.** The University and UPTE acknowledge that:
1. During the negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining;
 2. This Agreement constitutes the entire contract arrived at by the parties after the exercise of that right and opportunity;
 3. This Agreement supersedes and replaces the specific rights and/or procedures set forth under the various personnel programs and policies, which previously applied to Health Care Professional Unit employees.
- B.** As a result of the acknowledgments in Section A., above, the University and UPTE agree that, for the term of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered within this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- C.** Notwithstanding Section B. above, the articles in this contract may be reopened for negotiation at any time by mutual agreement of the parties.

ARTICLE 44
WORK RULES

The University shall have the right to promulgate and to change any work rules provided:

Any such change shall not be in violation of this Agreement; and Notice of any such change shall be the greater of 45 calendar days or any notification time specified under any other Article governing the employees affected by said change. Upon receipt of a written request from UPTE, received within thirty (30) calendar days of notice, the campus/hospital/laboratory shall meet and discuss the work rule(s). In no event shall the discussions delay the implementation.

**ARTICLE 45
WORK-INCURRED INJURY OR ILLNESS**

A. GENERAL PROVISIONS

An employee unable to perform the normal duties of her/his job due to a work-incurred illness or injury compensable under the California Workers' Compensation Act are eligible to use sick leave and vacation as provided herein. When sick leave is exhausted and when employees are still unable to work because of such illness or injury, employees may use extended sick leave or leave without pay as provided below. An approved leave of absence for work-incurred illnesses or injuries shall not be considered a break in service.

B. RETURN FROM WORK-INCURRED INJURY OR ILLNESS LEAVE

When possible, an employee granted a Work-Incurred Injury or Illness Leave must provide the University with 30 days notice of his/her ability to return to work. Upon receipt of the release to return to work, the University shall either reinstate the employee to the same or a similar position in the same department or will determine what accommodation, if any, will be reasonably provided upon expiration of the leave. If the position held has been abolished during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee been actively working when the position was abolished.

C. USE OF SICK LEAVE AND VACATION

1. An employee who accumulates sick leave and vacation shall be permitted to use accumulated sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.
2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the Employee's regular salary.
3. The additional payment made to an employee to provide the employee with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act. An employee who receives an advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore the proportionate sick leave and vacation credit as appropriate.

D. EXTENDED SICK LEAVE

1. An employee who is receiving temporary disability payments on account of a work-related injury or illness and who has exhausted all accumulated sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between payments from Workers' Compensation and 80% of basic salary plus any shift differential which the employee would have received. If such employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than 80% of basic salary plus shift differential, shall be supplemented to 80% by extended sick leave payments,

provided the employee continues to be medically authorized for Workers' Compensation temporary disability. Total extended sick leave payments shall not exceed 26 weeks for any one injury or illness.

2. An eligible employee who does not have sufficient accumulated sick leave to cover the three calendar days' waiting period for receiving Workers' Compensation payments shall receive extended sick leave payment to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.
3. An employee who elects not to use all sick leave is not eligible for extended sick leave benefits.

E. EFFECT ON OTHER CONTRACT PROVISIONS

1. An employee who is receiving temporary disability payments and supplemental sick leave or vacation as provided in Section C., above, is considered on regular pay status for all purposes except completion of the probationary period. Sick leave and vacation accumulated during this period may be used as soon as they are accumulated.
2. An employee who is receiving temporary disability payments and extended sick leave benefits as provided in Section D., above, is considered to be on regular pay status for all purposes except completion of the probationary period. However, sick leave and vacation accumulated during this period is credited to the employee only upon return to work. If an employee separates from University employment without returning to work, the employee shall be paid for vacation accrued during the period the employee received extended sick leave payment.
3. An employee on leave without pay and receiving temporary disability payments accumulates sick leave and vacation on the same basis as if regularly employed, but such accumulation is credited to the Employee only upon return to work. If the employee separates from University employment without returning to work, no payment shall be made for such vacation credit.
4. An employee shall not use vacation, sick leave, or extended sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

F. LIGHT DUTY PROGRAM

Subject to operational considerations and budgetary constraints, the University will endeavor, on a case-by-case basis, to modify duties consistent with documented medical restrictions, for employees who have experienced work related injuries. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances.
